### **2. Ammendments- Tech & PD**

\$32000 left in the plan under hiring needs. After the next pay period there will be more of a “hard” number.

-Amendment to move \$10, 000 to technology. This would go towards updating the sound systems in 10 classrooms.

- Several teachers are also interested in a ‘Screenbeam’ and laptop update in technology.  
\$1000 installation

6-8 units

- 3D printers have come down in price. For a quality 3D printer it would be approx. \$450-\$474. Filament spools will be \$18-25 each. Students would benefit in learning to use this.
- Holli Meza motions to approve transfer of funds from paraeducator to technology.
- Approved by: All
- Opposed: None
- Motion passed.

### **3. Plan for Next Year & Goals (due End of March)**

- Pathways of Progress (P.O.P) goals will help to structure the reading goals for the following year.
- Benchmark tests will influence the Math goals

#### **4. Mission**

- Current Mission Statement is : At Pleasant Green, we celebrate growth & success in learning, and design environments where students can be comfortable, positive, and engaged.

#### **5. Data Review**

- 56% of students at Pleasant Green are at typical or above typical growth. The district would like us to be at 60% growth. We were there last year and anticipate a similar growth.
- Overall we have accomplished our pre-post land trust goal in growth in ELA.

#### **6. Evacuation**

-Evacuation Drill will be in April. Parents will pick up children from evacuation site.

#### **7. FTE-**

FTE allotment will come during the week of March 4<sup>th</sup>.

#### **Member Concerns:**

Lower Breeze drive: Unsafe walking conditions sometimes student led (kids walking in the street, skateboarding, biking).
