

School Community Council Minutes

Thursday- April 23rd, 2020

1:30p

1. Approval of March Minutes:

Mrs. Peterson/ Heidi Jensen

2. Budget:

- Paras are still working, some hours reduced as a result of COVID19 distance learning
- Amendment to reallocate some of the money in the Para section to technology for chromebook replacement. Seven chromebooks, so far, need to be replaced. There may be a need to replace more.
- New 3d printer received.
- Budget is on course to be spent as outlined in the land trust plan.

3. Data:

End of year testing has been cancelled. Land trust data will come from the mid year assessments.

4. End of Year Procedures

Chromebook check-in will most likely be the last week of school. Also looking at doing a last week of school packet that will be given to students.

Working on the logistics for who will be coordinating returns and end of year procedures.

Sixth grade promotion will be digital.

Land trust was submitted for last year

Architects have been out looking at settling in the building as a result of the March 18th Earthquake/aftershocks.
