

School Community Council Minutes

Thursday- February 18, 2021

12:45p – Zoom Meeting

1. Members present: Allison Peterson, Amy Stevens, Adrienne Tupou, Lyndi Belnap, Jessica Mecham, Heidi Jensen, Marie Roe, Holli Meza

1. Welcome & January Minutes

-Allison approved, Heidi second

2. LANDtrust budget & goals, platform updates

-Website is still not up and running. Allison will start the report for current year goals. Focus on interim data for older grades, and classroom data for younger K-1 grades.

-Budget: still have quite a bit left. Looking into flexible seating arrangements to help with smaller groups, and maker spaces for STEM program. The school is hoping to expand STEM as a 4th special during the school week.

3. TSSA Goals

Still don't have specifics, but TSSA amount will be cut considerably. We will be allowed to roll more than 10% over for next year, which will help.

-We will experience cuts, but it won't be as drastic as originally anticipated.

-TSSA will be aligned with LAND trust to help streamline everything.

4. SNAP map

-Allison has contacted Byron Prince with Ivory Homes to see how many new houses will be completed to help update the map.

5. Health & Safety Week

-Schedule of events

-Focus on physical health, digital health, and emotional health.

-New theme and activity each day, but they will all tie together to help kids be safe & healthy.

-”Be Kind” and “Be an Ally.”

6. FTE

-Numbers are holding.

-Hoping for all day kindergarten

-Allison will get FTE projections the beginning of March. Staffing options will be sent out via google form or email.

Updates from Allison

The rolling pantry is up and running. Working with families to send regular meal kits home.

Parking lot safety- Unified Police should be coming by to help

Maturation- The school will send home a permission slip for students to have the option to watch it

from home or at school.

Member Concerns:

-There have been some issues with students bringing their cell phones to school. Suggestions to address the problem included the possibility of a cell phone video to reiterate that phones are not allowed at school.

Next Meeting: March 18, 2021 @ 12:30 pm
