

**Pleasant Green Elementary  
School Community Council Minutes  
Tuesday, December 14, 2021  
12:45 pm**

**Members Present:** Allison Peterson, Adrienne Tupou, Marie Roe, Nicole Sant, Rachael Litnak, Holli Meza, Amy Stevens

**1. Welcome & October Minutes**

-Allison approve; Marie second

**2. LAND Trust**

-Website is still being difficult. The platform for the final report is not working yet. Last year's data is inconclusive. Nothing to be aware of at this time. The district will be replenishing any Chromebook below G5, which will free up some funds. SCC members should start thinking of anything that might be advantageous for the school.

**3. TSSA Expectations**

-The amount received was reduced from last year but carries over. Hoping to be able to pay for .5 of a teacher. Allison would rather spend money to have extra support than paying for things.

**4. SNAP Map**

-Has been turned over to engineers. Waiting to hear back.

**5. Budget**

**Member Concerns**

-Find out how many families have access to a computer with wifi/internet access.
