1. Welcome & January Minutes

-Will approve minutes at next month's meeting

2. LAND Trust

-Still spending, but trying to err on the side of caution. There is a new person at the district doing FTE. Hoping to save enough money to pay for .5 teacher next school year.

3. TSSA Expectations

-Have \$75,000- will spend some to fund the other half of STS

4. SNAP Map

-Allison just got an invitation to go to SNAP meeting. Every spring, a meeting is held with county commissioners, UPD, and other organizations. Allison will reach out to the police chief to see about traffic study. Area of concerns include 2820 S and both new developments (Gabler Grove & CW Farms)

5. Budget/ESSR Funds

-Looking good so far; possibly hired 2 new paras. Can purchase furniture with ESSR funds; looking into options for classrooms.  
-Have to spend money by July 15th.

-Good news on data. TSI passed what we needed for SPED, and there was 14,000 of a percentage less than needed to improve ESL, so we are on a good trajectory. Looking at middle of the year dibels and acadiance math scores were not where we wanted them to be. The team is reaching out to other schools to see what they are doing to improve scores to see what changes can be made.

-Next year try to focus on three Math & ELA standards. Hoping to train parents so they know how to support their students.
