4. TSSA Expectations

-Funds have been cut in half. Currently planning on \$25,000. We will be in a good position just in case. Allison plans on ordering additional pieces for the STEM lab.

5. SNAP Map

-Same as last year. Allison did talk to Unified Police Department Chief. He will bring it up to see if any issues can be addressed. They will be more persistent with the county.

6. ESSR/Budget

Since paras have been redistributed, ended up with more money. The current plan is to make updates to the school, including the sound system and screen in the gym.
