

**Pleasant Green Elementary
School Community Council Minutes
Tuesday, April 18, 2023
1:20 pm**

Members present: Allison Peterson, Adrienne Tupou, Holli Meza, Rachael Litnak

Excused:

1. Welcome & January Minutes

- Meeting called to order at 1:26 pm. March and April Minutes will be presented and approved in May.

2. Budgets & Expenditures: LAND Trust/TSSA/ESSR

-Have approximately \$36,000 in LAND Trust; should be receiving about \$25,000-28,000 in TSSA Funds next year. Money is earmarked to keep our social worker full time. Should also be receiving about \$117,000 in ESSR funds, which pays for part of STS, Playworks, our social worker, and a couple paras.

-We need \$6000 to complete audio/visual update. Will have additional funds to start replacing chairs and desks.

3. Elections

-Need to have candidacy forms available in May.

-Allison will double check whose spots are up for re-election.

4. Dress Code

-Dress code at elementary level should focus on educating parents. We don't want to penalize kids, but do need to educate and inform.

-It was decided that the dress code should include illustrations and explicit detail. It will consist of bullet points for specific guidelines as well as including illustrations of positive examples of what is acceptable. Allison will put something together for School Community Council to see for next school year.

5. STEM Lab

-Mr Dahlberg is in need of new chairs in the STEM lab due to some students having a hard time with the flexible seating. Allison said the school will use capital funds to provide the chairs. Mr Dahlberg plans to disperse the flexible seating stools to classrooms to be used at the teacher's discretion.

Meeting adjourned: 1:57

Next Meeting: May 16, 2023
