

Pleasant Green Elementary
School Community Council Minutes
March 16th, 2023
1:20 pm

1. Welcome and approval of minutes
-Rachael approve, Marie second
2. FTE projections and possible staffing. Waiting for the final word based on the OEK allocations. At this moment, our numbers are relatively the same. Grade level configurations will come shortly, based on current and projected numbers.
3. SNAP Map & possible traffic study: We met with County and SNAP people. Still waiting on the traffic study.
4. Reunification drill-waiting for further info from GSD. We will be meeting with Roger Brooks, GSD Emergency Coordinator, to discuss next steps for conducting a Reunification Drill.
5. Budgets & balances (we were within the required thresholds for each). We do not need any amendments to LANDtrust at this time and our spending is on track.
6. Reconfiguration possibilities: As we have discussed in the past, 6th grade cannot move to the Junior High School level until the new CHS is finished. At that time, Brockbank will reopen as a Junior High School.

Adjourned: 1:45 pm
