

Granite School District- Student Technology Agreement

The use of technology can be valuable for a student's education. Use of District owned technology and school Internet access is a privilege, w h i c h may be authorized as well as withdrawn. Students are expected to be aware of and abide by the following:

1. Student Personal Safety

Personal contact information may not be entered on Internet sites open to public access. This includes student address, phone numbers, personal e-mail addresses and other personal information.

2. Expectation of Privacy

Students do not have an expectation of privacy in files, disks, documents, e-mail, etc., which have been used or created with District equipment.

3. Prohibited Computer and Device Uses – Students are prohibited from (but not limited to):

- Accessing, storing or creating offensive, profane, or pornographic files/software/applications
- Plagiarizing works or violating copyrights or trademarks
- Damaging, altering, or modifying District owned hardware or software
- Attempting to bypass computer security
- Downloading and using non-approved software
- Harming, defaming, harassing, or otherwise cyberbullying ANY individuals
- Unauthorized use during class time

4. Internet Use

Students may use school Internet access only when authorized.

5. Disciplinary Actions

Disciplinary actions will be taken pursuant to this agreement (e.g. loss of access to equipment, suspension, law enforcement involvement, etc.).

For further information, please contact your student's teacher or school administration.

****By signing the back of my student's registration card, I Agree that I fully understand the above listed policy.**
