

Community Council Minutes 11.19.20

In attendance:

Marian Behunin
Jill Vantrease

Jodi Lusty
Jolynn Koehler

Report on money spent so far:

Our money is encumbered for the year to pay for Ms. Littlewood. Mrs. Koehler reported that things are set, but that our Trustlands money will run out before the year is up. Plans have been made to supplement at that time with Title 1 funds.

Distance Learners/Face to Face Learners, 1st quarter:

We had a lot of students who we couldn't find or couldn't reach. We are working with our new family engagement coordinator, Jodi Lusty. Mrs. Koehler reported that Jodi is working in coordination with teachers and with Nancy Sanchez, Community Center Coordinator, to find students and families and help them connect.

Turnaround status:

Jodi Lusty will be joining us at least two days a week, Mondays and Fridays. Mrs. Koehler reported that the school is working closely with Director, Aaron Wilson, to connect with state. We have met with USBE Tracy Vanderverter who is in charge of working with Title 1 schools. She will keep us informed of our Turnaround status and how we proceed.

Title 1 report:

SSAP plan: Mrs. Koehler will send the plan to all to approve. The plan uses the same three school goals that the CSI and Title 1 plans use.

Work on 3 school goals:

Bulletin boards to track progress. Mrs. Koehler reported how the school is helping students and teachers keep track of the school goals with bulletin boards.
