DISCUSSION	Boundary changes for Rolling Meadows/Granger Elem.	
<p>Steve Hogan was scheduled to attend our council, but had to meet with GSD board. We watched the video about the boundary change available on the GSD webpage. Connie explained what Steve had shared with her during a previous meeting and visit to Rolling Meadows. The plan is to have students living in the Meadow Brooke mobile home park (approximately 128 students) bused to Rolling Meadows. A study showed it would take students about three more minutes to arrive at Rolling Meadows by bus compared to Granger Elementary. SCC members were encouraged to attend one of the town hall meetings being offered through the GSD.</p> <p>RM Community Council wanted to know if the District knew the grade level breakdown of students coming from Granger Elem. They also wanted to know the mobility and fluctuation rate of the area being considered in the boundary realignment.</p>		
CONCLUSIONS	Connie will contact Steve Hogan and ask the above questions.

DISCUSSION	Parent Compact Brochures	
<p>Last year the SCC made some changes to the Parent Compact brochure. Changes included making it a trifold on 8 ½ X 11 paper rather than legal size. The signature page was deleted from the brochure. Instead teachers had a signature page for parents to sign during fall SEP conferences. There were some wording changes made too. Taryn commented that she liked the new format of the brochure and having the teacher have a separate signature page. Remaining members had positive comments about the new design as well.</p>		
CONCLUSIONS	Keep the new designed Parent Compact.
