<b>Discussion</b>	<b>Staffing plan for 2017-2018</b>
-------------------	------------------------------------

Connie shared the staffing plan with CC members. She explained the reason behind using Title I funds and LAND Trust funds to pay for 1 ½ teachers. With the new boundary change, enrollment will increase at Rolling Meadows, which will increase class size. Using these other funds eliminates the need for grade level split classes.

<b>Conclusions</b>	<b>CC members agreed with the staffing proposal and would glad that we did not need to have split classes next year.</b>

<b>Discussion</b>	<b>Rotation classes for next year.</b>
-------------------	--

The members talked about possible rotation classes for next year. Currently students participate in art, keyboarding, and music. With one more class on the majority of grade levels, the school needs to include one more rotation class. CC talked about adding a social skills class. Members discussed if the typing online program was beneficial or if we needed to find another program.

<b>Conclusions</b>	<b>Members wanted to know some of the curriculum options.</b>

<b>Conclusions</b>	<b>Members should download the Granger High App and decide what links we would like for our school app or if the app is applicable to elementary.</b>
