Discussion	Review success and challenges from 2017-18 school year	
	<p>Successes—Katie Pearce was an EXCEL winner. BLING was adjusted, and it was a success. Five teachers were recognized for high MGP. Teachers collaborate to improve student achievement. Members questioned and discussed the things that help teachers achieve MGP.</p> <p>Challenges—Boundary change and new kids created some challenges. Teaching our new kids the “Rolling Meadows Way” will take time. We also had new teachers, and it takes time to feel comfortable with core curriculum.</p> <p>Gary asked about the “Rolling Meadows Way” and how do we convey the message of the “Rolling Meadows Way” to parents. Rolling Meadows Elementary has developed a culture of respect. Kids feel safe here. How do we share this message with all parents? Members discussed different ways this message is being shared with students, and how do we spread this message. (Particularly discussed the growth mindset.)</p>

Discussion	<p>Do we need to do anything to the parent school compact?</p> <p>What will go home at S.E.P.s?</p> <p>Training Videos</p> <p>Move 6th graders to junior high?</p>
	<p>Members should look at this and make suggestions. Do we need to add anything about growth mindset?</p>

The parent school compact, PBG information, and the student handbook will go home at conference time.

Training video on SCC was watched. (Other videos will be watched at home.)

SCC Training-- West Jordan on October 25 at 6:00 p.m. Another training is being offered on November 7 in Orem.

Members were asked about moving 6th grade to junior high. Members wanted to know what does the research say? Members had mixed feelings about this approach. Members were asked to get the opinion of others.

We need a paraeducator.

Next meeting will be October 16.
