Discussion	Steve Hogan—Roosevelt/Riverfront Boundary Discussion	
<p>Riverfront/Roosevelt Study—New school site at approximately 5th West and 38th south. The school would open Fall of 2020. Initial proposal is that part of Roosevelt Elem. would be absorbed into Millcreek Elementary. Roosevelt Elementary would remain as a Granite property. The enrollment goal for the new school is somewhere between 650-700 students. To meet the enrollment needs, the proposal suggests that the students that came to Rolling Meadows from Granger Elementary two years ago would go to the new school. Numbers at Rolling Meadows would decrease which would affect the number of teachers at our school. An open house will be held on May 20 where people can ask questions about the boundary changes.</p>		
Conclusions	The Board will make a final decision on boundary changes at the Dec. 2019 meeting.	
Action items	Person responsible	Deadline

Discussion	Bling Assemblies (not on agenda)	
<p>Bling assemblies are losing their impact. Parents and students are somewhat confused at the awards students are receiving. Students are not receiving timely feedback with only two assemblies. All parents liked the idea of returning to four Bling assemblies instead of two.</p>		
Conclusions	All parents voted in favor of going back to four assemblies.
