- ✓ Please have a discussion again with your SCC members about the scams that are occurring with our SCC lists and email addresses. Scammers are getting the email addresses off websites for SCC members and contacting them, posing as the principal, and asking for help purchasing gift cards online, etc. Stress to them that you will NEVER contact them and ask them to purchase anything for you. This scam happens several times a year, and we have had SCC members lose a considerable amount of money when they respond thinking they are helping their principal out.
