PRINCIPAL'S MESSAGE...

Happy New Year Rosecrest Family!

I hope you enjoyed the holiday season and bringing in the new year with your family and friends.

Winter has come in strong this year. Just a reminder that in the case of a predicted storm that may result in a distance learning day, students will be sent home with Chromebooks if their teacher plans to instruct via Google Classroom OR paper packets. An email and text will be sent out communicating that we have sent materials home for a *potential distance learning day*. The following morning, an additional email and text will be sent out confirming whether a distance learning day has been called. If it is a distance learning day, your child's teacher will communicate specific expectations for work completion and be available to help and/or answer any questions. If it ends up not becoming a distance learning day, plan to send your child to school with their Chromebook and/or packet work.

Kindergarten registration is coming! If your student is planning to attending kindergarten at Rosecrest in 2023-2024, please email us at blambrose@graniteschools.org and share the information with your neighbors!
