STUDENT DROP OFF & PICK UP

For the safety of the students and other drivers, it is imperative that parents follow the below recommendations when dropping off or picking up your child at the school.

- When dropping off or picking up your child in front of the school, please enter from 3000 South and pull forward towards Fisher Lane. If there are no other vehicles in front of you, pull as far forward as possible to allow other drivers to enter the drop off / pick up area. This area is designated as a one way only and no U-turns are allowed (Scan QR Code to see map).
- Give all pedestrians the right of way.
- Do not stop your vehicle on any crosswalk.
- **A person may not stop, stand, or park a vehicle other than a school bus, whether occupied or not, in a clearly identified school bus parking zone.** A violation of Subsection (4) is an infraction. A person who violates Subsection (4) shall pay a minimum fine of \$75 (Utah traffic code 41-6a-317).
- The speed limit on 3000 South and Fisher Lane is 25 MPH. When students are present, you are encouraged to slow down and follow the directions of the school crossing guards.
- Be courteous and cautious when driving near the school. Courtesy towards other drivers will go a long way to ensure a smooth and safe traffic flow.
- The safety of the students is our priority. As the weather gets warmer in the next few weeks, more and more students will be walking to school. Do your part to ensure that they get to school safely.

Thank you,
