DIGITAL CITIZENSHIP

Resources can be found on our Rosecrest website. This is a great spot to view school expectations and resources for at home discussions. It's all found under the Digital Citizenship tab on the menu bar.

Social Media Safety

Governor Cox recently launched a thorough website with valuable resources for families on protecting our youth from the harmful aspects of social media. We encourage you to visit the website here.

Gifted and Talented Testing
Testing for grades 3-5 will occur November 9 & 10. If you feel your child should be tested, please reach out to his/her teacher no later than November 1.

Halloween parade

We are scheduling our parade for the morning of Oct. 31st. We will be parading outside and begin shortly after attendance is taken (8:30ish). Bring lawn chairs or blankets for seating and hope for a blue-sky morning!

As you are planning costumes remember they need to be such that students can remain in them all day and have the ability to walk, sit and move comfortably. Costumes must be school-appropriate and free of weapons or any facsimile of a weapon. LIGHT face paint that allows us to identify students is permitted and will need to be worn for the duration of the school day. Costume masks for students and adults will not be allowed.
