

Raccoons Report

2420 Fisher Lane Millcreek Ut 84109 385-646-5002

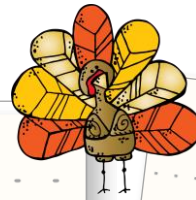

OPEN ENROLLMENT

Open Enrollment opens **NOVEMBER 15**. Open enrollment is necessary for students to attend a school other than their home boundary school. The Early Open Enrollment period for the 2024-2025 school year begins on November 15 and ends on February 2, 2024. Applications are submitted electronically and are processed in the order received. The online application will be available on our district websites.

If a student is (or has previously been) accepted for open enrollment, annual reapplication is NOT required if you choose to remain at Rosecrest and space continues to be available. When a student transitions to junior high, reapplication is necessary.

For more information, please contact us or visit Granite District's Open Enrollment Page.

COLDER WEATHER

As the weather turns cooler, please watch the weather with your child(ren) and help send them to school with the appropriate gear. Recess is necessary for all students, and we are outside three times a day nearly every day.

Principal's Message...

Each fall the state updates school profiles according to performance on state testing. This year, we have compiled this information to create an Assessment and Accountability Document to share with you, our community.

The last page of the document outlines our Vision, Mission, and Collective Commitments for this 23-24 school year. These were developed as a school with the support of our Community Council and informed by Academic and Panorama (student well being) data.

We recognize that educating our students is a partnership between home and school. We are grateful for the support we receive from you and the many ways you contribute to the success of all students at Rosecrest!

The QR code below will link you to the Assessment and Accountability document. For those of you interested in a deeper data dive, you can visit datagateway.schools.Utah.gov
