ROSECREST ATTENDANCE CHALLENGE

Raccoons, are you ready to accept a challenge? During the month of April, we will be tracking each classroom's **ON-TIME** attendance.

* The classroom with the best record will win an EXTRA recess! *

We look forward to seeing you at 8:10 a.m. each morning!

Don't forget to dress for the weather!

Even though spring has officially "sprung" we are still experiencing many chilly and wet days. Please remember to send your student to school dressed for the weather. We go outside often.

Traffic Reminder

As the weather warms up, more students begin commuting to school on bikes and scooters. Please continue to be mindful of your speed and crosswalks as you drive through campus and THANK YOU for helping us create a safer traffic slow before and after school. We have seen great improvements this year!

Principal's Message...

Hello Rosecrest Families!

As we are in the last quarter of our school year, we want to remind you that RISE TESTING will begin for grades 3-5 with 5th graders taking their first test the week of April 15th. Specific dates and times for each grade level was emailed to families on March 13th. If you have additional questions or didn't receive this information, please contact your child's teacher. Thank you for supporting end of year assessments!

Attached to this month's newsletter is information about CLASS CONFIGURATIONS for next year and how to PROVIDE FEEDBACK on your child's class placement. Please carefully read this information and request a learning survey if you would like to provide parent feedback on your child's class placement next year.

I hope everyone had a beautiful Spring Break and we all look forward to continue learning together for the next couple of months!
