

Rosecrest School Community Council Meeting March 8, 2010

Present: Julie Clarke: Principal; Andie Brown: Teacher; Kathy Draper: Vice-President, Teacher; Becky Mott: Secretary, Parent; Becky Pettit: Parent, Jen Jessop: Parent, PTA Rep.; Jane Thomas: Parent; Julie Bodily: Parent.

Minutes from previous meeting were approved.

Julie Bodily: Voted in as parent new member of SCC to replace Rob Bodily.

New Granite School District Mission and Goals (Handout): Reviewed by SCC.

Julie submitted copy of SSAP to each SCC member.

2011 Budget Community Input Packet: SCC viewed Budget DVD and quickly reviewed the budget handout. The district would like our input on the 2011 budget by submitting answers to four questions. We will review this information individually and be prepared to discuss at our next meeting.

TRUST Lands Report Discussion: Our TRUST Lands report needs to coincide with our SSAP. A huge part of our plan is professional development. SCC agreed we need to set aside funds for professional development for teachers in regards to the new reading program and the technology available in the classrooms. Also SCC would like to see funds set aside for Reading Aide and continued funding of Document Cameras, as needed.

Technology Aide was discussed, most of the SCC does not see a Tech. Aide as a high priority at this time. The STS seems to be doing a great job in the opinion of some teachers and they do not see a need for Tech. Aide. SCC may like to do a survey with teachers to see where they see the need.

Meeting dates for remainder of year:

March 23, 2010

April 27, 2010
