Members asked to review 2011-2012 School Land Trust Plan

Critical needs identified by council:

Reading (small group instruction)

Recommended expenditures: Imagine Learning English (benefits low readers), continue to financially support reading aides, bulbs for smart board projectors, teacher professional development, materials for Imagine It Program.

Community Council was asked to give input on possible changes to school music program.

Members agree to leave the music program as is, rather than make changes. Council suggested revisiting the situation if the number of students participating in music program drops.

Next meeting Monday, Feb. 14th.
