Looked at current year assessment scores so far this year.
2. Discussed reading tutor progress, Kristin & Jen feel very positive about the program, feel that the kids enjoy the program. Discussed whether or not to add a math tutor - felt that we were not ready to make a decision based on where funds may be needed. Still waiting to hear whether or not we will get grant for new maps.
3. Discussed the price of Imagine-it Leveled readers for 1st - 3rd grades. \$11,667. We felt this was better than starting all classes with smaller library packs.
