

Rosecrest Community Council

Minutes for Meeting on Monday, March 5 @ 3:10 in Media Center

1. Review of Trust Land Funds

A budget updated sheet was disseminated showing funds left in different areas. Our funds are quickly dwindling. Discussions were held about projections for next year - it doesn't appear as though we will have as much money as this year unfortunately.

2. Finalize 2011-2012 Progress Report and 2012-2013 School Plan. Sign Signature Page

It was decided to allocate funds leaving a balance needed of about \$9000+. Council decided the plan was sufficient and signed the signature page.

3. Letters to Legislators

Becky Pettit drafted a letter and we signed to be sent to all our legislators thanking them for the funds and expressing our need for the funds.

4. FTE

Tina gave a quick update on our FTE and the faculty decision to go for 15.5. We just need a few more students.

5. Other?

Cynthia Birch attended with traffic concerns and updates including additional crosswalk, sidewalk down 3000 South, and other possibilities as she works with the county.

Next Meeting: April 16, 2012 @ 3:10 (instead of the first Monday back after Spring Break).
