

Rosecrest Elementary SCC Meeting Meetings 9/17/2012

Trust Lands Plan and Budget Review – The committee reviewed and discussed the Trust Lands Plan. We agreed that acuity is going to be our best measure for language arts and reading measurement, for the Trust Lands Plan. We will likely also include our CRT scores to demonstrate improvement in that area.

We also discussed the budget and decided to add \$5000.00 to textbooks to pay for E-Suite this year. Our subscription was renewed and we are ready to pay that invoice as soon as it is received. We also added \$2000.00 to the hourly aide budget line. We plan to hire an aide to assist in the 5th and 6th grade classrooms as needed by the teachers.

Voting process during SEPs- The SCC discussed the voting process for the 2 parents who have submitted their applications. We will send home a note with a self-written paragraph describing the candidates. We will also send tele-messages to families to remind them to vote in the office. On September 27th, Tina, Nancy and Becky will count the ballots and contact the parents with the results.

SSAP- The plan is due October 15th. We scheduled our next meeting on October 8, 2012 to review and give input on the plan.

Becky Pettit will be our chair this year with Julie Bodily as co-chair and Becky Mott as official note-taker.

Next Meeting: October 8, 2012; 3:10; In the library.
