

**Rosecrest Elementary SCC Meeting 3/10/2014 3:15 pm to 4:05 pm**

**In attendance:** Tina West, Becky Pettit, Jan Davis, Nancy Hardy, Becky Mott, Robert Frank

The meeting began at 3:15 in the Rosecrest Elementary Media Center. Becky Pettit called the meeting to order.

**Trust Lands Funding Update:** The SCC reviewed the updated budget report. We are on target to stay within our budget for this school year.

**Trust Lands Progress Report and School Plan:** The SCC reviewed the Trust Lands Progress Report and School Plan. It was approved and the members present signed the signature page. Members not present will sign the form in the office.

**Art Specialist for Next Year:** The SCC reviewed possible options for an after-school band/orchestra program. Riverton music offers teachers for both band and orchestra at a reasonable rate for families. Becky Pettit will further research times available to determine if it is a possible option. She will also ask about student “make-up” days on different days of the week. Tina will ask Morningside if they are also interested in an after-school program to partner with us. This would allow the school Art Specialist to work with every grade level equally during regular school hours. It was suggested that we have an assembly to introduce the program to the 4-6 grades – when it is determined that we will proceed.

**Traffic Procedures:** Concerns continue to be expressed regarding traffic procedures at Rosecrest. A suggestion was made to ask a couple of dads if they would help in the mornings. Tina will talk to Scott Thompson and All Pro Dads.

**Write to Legislators:** SCC members, please write to our Legislators. Paragraph #3 on the Trust Lands Progress Report is a great summary of what we are spending our funds on and could be used to write letters.

**Other – Dog Poop:** This continues to be an issue on our fields. It was suggested that we ask Amy Rose to discuss this at Canyon Rim meeting; ask Unified Police and Granite Police if they will patrol and ticket; ask Granite Police when we get our cameras and put up surveillance signs. Becky Pettit will also mention at her local ward.

**Next Meeting:** Monday, April 14, 2014. 3:10 pm in the Rosecrest Elementary Media Center
