

Rosecrest Elementary

May 2015 Newsletter

Notes from the Principal...

It is hard to believe another school year has almost passed. It has been a good year, but it seems to have passed quickly. The month of May can be very busy. To find out what is happening, please see the calendar on our school's website.

If you have any feedback on things around our school, please know I want to hear from you. It takes all of us to make a quality school. By working together, we can accomplish amazing things for the students.

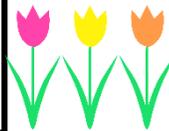

End of year SAGE testing will occur from April 27 through May 22. A schedule was sent home. Please, help your child celebrate what they know by encouraging them to do their best. It is also important they get a good night's rest and eat a good breakfast. Students can practice SAGE test questions by going to www.sageportal.org and logging in leaving all areas as guest. Let me know if you would like additional information.

Thank you for being such an active part of your child's education. It truly makes a difference!

Please earn a dollar for our school ... it takes less than five minutes.

Go to envisionutah.org and complete the survey. Be sure to select Rosecrest as your school at the end.

This will help Utah plan ahead to the year 2050.

Rosecrest Carnival

What did they include?

From the PTA President...

The annual Carnival is May 15. If anyone has something they would like to donate for the silent auction, contact Jen Jessop. Ideas for donations are: gift cards for local businesses, any "boutique" items, etc. We are also looking for volunteers to help with ticket sales, booths, and silent auction. Please contact Jen Jessop.

We are opening the Time Capsule and if you know of anyone who attended Rosecrest in the year 2000, have them contact Tina West at twest@graniteschools.org

A very special THANK YOU to everyone who contributed to the classroom baskets for the silent auction! We appreciate it!
