Agenda items discussed:

****Please watch Trust Land Videos if you have not done so*****

- Trust Land budget update:
Rosecrest is above recommended % of money that should be spent at this point in the year. It was proposed that another set of chrome books (25-30) and a cart be purchased. Everyone present agreed. It was also discussed that an additional para could be planned for next fall.
- New school data sheet
Mrs. West found a tool on the district portal that gives statistics about schools (attendance, performance etc.).
- Mrs. West will send out an updated flyer with alternate school routes and reminders of where to park and how to get your student to school safely.
- Idle Free Campaign
It was proposed that the Student Council roll out the idle free campaign. It will also be mentioned in the school newsletter.
- School Concerns:
SEP's for Evergreen will conflict with the next school community council meeting. The next meeting for both February and March will be held on Monday, February 29th at 3:10pm.

Mrs. West will be looking into the Jump for the Heart program that was mentioned by Mrs. Hardy.
- Legislative Letter:

The majority of the Rosecrest community council agreed to submit the letter drafted for the upcoming legislative session that addresses local concerns such as Teacher Merit Pay and SB235, with some minor changes. The letter will be submitted in conjunction with Olympus High School community council. Future needs for this issue include awareness and further action from the parents in the community.
