

Rosecrest Elementary

February 2016 Newsletter

Notes from Our Principal, Tina West, and our PTA President, Jen Jessop ...

Thank you everyone who is helping us with safety and frustration by following the **driving procedures** in and around our school. A paper was sent home reviewing these procedures a couple weeks ago. If you need another copy, please let us know.

We have added some new sites on our school's website under the **Websites for Students** tab. These new sites help students practice their multiplication tables along with other skills. Please take time to look at them. If you have other needs that would be useful, please let us know.

Aladdin is coming in March! We are so excited and the students are working hard. There is a link on our school website that provides detailed information to cast members. It is under the Websites for Students tab. Thank you in advance to everyone who provides help and support.

You've Got Mail will be February 22-25. Please send letters only as we do not have space for packages. If relatives or friends send from out of town, remind them to only send letters.

Grade Level Focus Goals

Kindergarten- Count to 100

First- Use long and short vowels in spelling. Use addition and subtraction to solve story problems.

Second- Writing length five sentences (introduction, body, and conclusion). Solve story problems. Animal adaptations and habitats.

Third- Writing length five sentences with referencing and evidence from text. Skip count verbally and in writing by 6s.

Fourth- Expository and informative writing three to four paragraphs. Math facts 6-9 division. Biomes (forest, desert, wetlands).

Fifth- Recognize and summarize main ideas. Algebra patterns and graphing. Matter.

Sixth- Write five paragraph essays with evidence from given passages and cite two references. Multiples (LCM).

Thank you to our business partners.

The Super Bowl of Caring ...

Our collection for the Granite Education Foundation of cans or boxes of food or funds continues through February. Girl Power and Boys Rule have the following totals to date:

Collections:

Girls: \$25.77 and 227 Food

Boys: \$31.12 and 90 Food

We will continue the competition and collection efforts through the end of February. The idea is to give up one thing during the Super Bowl where we tend to overdue and instead share that one thing with a hungry child.

PTA Thanks You ...

Thank you to everyone who purchased Papa Murphy's Pizza! Ms. Vierig's first grade class is the recipient of the classroom pizza party. Watch for the next opportunity to help our school raise some money.

Calendar Survey ...

If you are interested in giving feedback for the 2017-2018 school year, please visit www.graniteschools.org and vote for your choice by clicking the

Additional Information ...

- To see a complete calendar, go to schools.graniteschools.org/rosecrest
- To check student grades and find test score information, go to www.graniteschools.org and set up a Portal Account. This is easy and we are happy to help.

Thank you to our business partners.
