

Rosecrest Community Council

Date	July 24, 2020
Call to Order	8:36 a.m.
Attending Council Members	Brittney Ambrose, Principal Nancy Hardy, Teacher Stacie Henry, Parent Patti Hession, Parent Sam Sorensen, Parent Lori Thompson, Parent Ben Towers, Parent
Absent Council Members	None
Guests	None
Ending Time	9:17 a.m.
Next Scheduled Meeting	

Agenda Items:

I. Proposed Amendment to the Land Trust Plan

- a. Reallocate the \$1800 set aside for field trips under our reading goal to increase support of our math goal through the purchase of additional math manipulatives.
 - Stacie Henry proposed the money be used on math manipulatives. Due to the current virus situation, students need individual sets of math manipulative to enable teachers to teach as they have before. Stacie Henry made a motion \$1800 be reallocated for the purchase of additional math manipulatives and Sam Sorensen seconded the motion.

II. Use of the TSSA Funds

- a. GSD has informed schools they will be receiving TSSA funds, however GSD has not given a specific dollar amount the schools will receive. Turn around for a schools' plan of how to allocate these funds will be very quick once the amount has been announced. Brittney Ambrose shared an idea for Rosecrest's TSSA Funds Allocation in an effort to make SCC aware of her intentions. Brittney is thinking of possibly using the funds to cover a .5 FTE in the situation Rosecrest might be required to lose a teacher due to declining numbers. If the funds are not needed to cover the cost of a .5 FTE, she would like to pay for an additional aide and/or a para to conduct a meaningful learning experience while teachers prep for additional distance learning.

III. Rosecrest Reopening School Pan

- a. Discuss the school draft in order to finalize a copy to be sent to the Elementary School Director for final approval.
 - Brittney Ambrose presented to all SCC members, a draft of Rosecrest's Reopening School Plan prior to the SCC meeting, so they could become familiar with the plan. She answered questions concerning teacher input, supervision/management of students before school during inclement weather, informing parents of drop off procedures, handling of substitutes, volunteer constraints, mandatory face coverings, student bathroom log procedures, quarantine protocols, distance learning/face to face teachers, and parent learning declarations, from the SCC regarding the plan.
 - Stacie Henry made a motion to support Rosecrest's Reopening school Plan and Ben Towers seconded the motion.
