Attendees:

Julie Jackson – Granite School Board, Principal Ambrose, Mrs. Gigi, Janet, Jenna, Lindsey, and Lance

Safe Walking Routes:

SCC reviewed current routes and concluded that they sufficient and appropriate. Discussed talking to crossing guards on 2300 East about keeping lights on until 8:15.

School Vision

Vision approved by SCC

SCC Scams

Principal Ambrose gave some examples of scams targeted at SCC members. Board was informed that the Principal/School would never request gift cards be purchased and sent to a third party.

Review 23'-24' Class Placement Policy

The goal is to try to balance gender and skill levels. Each teacher will get similar numbers of children at various skill levels.

Discussed giving the kids 15 minutes on the last day of school to meet their teacher for the next year and their classmates. After a lengthy conversation, board opted NOT to incorporate this concept.

Preview of Land Trust budget and proposed use of funds

The amount of money available is directly related to the number of students. The budget has been in a downward trend, but seems to have stabilized this year.

Next year's budget will be in line with the current year at ~\$38,000. Principal Ambrose will propose that all of the funds be directed to paraeducators.
