

March 6, 2023

Attendance: Brittney, Jessica, Janet, Jenna, Lindsey, and Lance

After a review of the 2023-2024 academic goals, the council voted unanimously to use all of the Land Trust funds, \$39,194.08, to hire four paraeducators. Two will help with reading for K-2 and two will help with reading and math for 3<sup>rd</sup> – 5<sup>th</sup> grade.

Also discussed how the ESSER (Federally COVID-19) will be spent. These are funds that must be spent in the '23-'24 school year.

Finished the meeting by extolling the council to get the word out about the April 6<sup>th</sup> Family Math Night. (It was a rousing success.)
