

Are you ready for a **SPLASH** of fun? I am looking so forward to learning with you this year! While we'll all have the necessary items to create fun learning ... if you are able to help us out ... here are some ideas of recommended donations that would definitely add an extra **SPLASH** in our organization and excitement of learning,

INDIVIDUAL STUDENT:

- Backpack – large enough for 9" X 12" papers without folding.
- Crayola Brand – 24 count – Twistable Crayons
- 2 Whiteboard Erasable Markers – for Word Work
- 4 Elmer's Brand glue sticks with orange lids –
- 1 1/2-inch white binder (for student's portfolio) with clear viewing window on the front – labeled with student's name on inside cover. These will be for student portfolios and sent home at the end of the school year.. filled with keepsakes!
- 1 package (approx. 50) sturdy clear sheet protectors – placed inside the white binder. Please buy the heavier sheet protectors as they are easier for students to slide projects into,
- 2 Highlighters – any color for reading work
- Ear buds or Headphones to use with Chromebooks

CLASSROOM:

- Target Brand – pre-sharpened #2 pencils
- Elmer's Glue Sticks w/ Orange Lids
- Large boxes of Kleenex Tissues
- Prizes for Class Rewards
- Clorox/Lysol Antibacterial Wipes
- Baby Wipes for art projects
- Snacks (fruit snacks, cookies, crackers, Granola Bars or other individually packaged, store-purchased snacks) - for days we're extra hungry
- New/used hot wheel cars (reading & math)
- Ziploc Bags – snack, quart & gallon size
- Small paper plates – for art projects and class activities

Side note: Please help me save some tears by labeling each of the "student" items with your student's first initial and last name. Also, experience has taught me "Rose Art" brand supplies do not hold up well in Kindergarten! So, please do not send them to class. Finally, I have found it's best for students to keep personal toys at home – unless you receive a special note from me!
