## Meeting Notes

### Approve Jan. Minutes

Motion to approve – Lance / 2<sup>nd</sup> – Jenna

### Review DCC Minutes

Emailed to council members, specific topics included spending and the legislative session

### Literacy Night Feedback (Refer to Google Forms)

Received positive feedback. Families liked that they could get everything done in the allotted time. We discussed switching subject areas to math next year, literacy the following year. Parents enjoyed that it was near parent teacher conferences.

### Look at Data to determine next year's goals / Land trust spending

Shared changes in budgets from 23-24 to 24-25. Losing just under \$100,000 in federal ESSER funds

Looked at historical RISE and Acadience data as well as demographic data

Teacher and Principal shared they think students are on track to hit or get very near the ELA goal thanks to the support of our literacy coach and PLC time

Will determine 2024-2025 academic Land trust goal during March meeting

### 2024-2025 Anticipated Land Trust: \$42,795

Will determine how to allocate these funds during March meeting

### Safe Walking Route Check

Council approved current walking route
