Data Report

- Review third quarter benchmarks to show the growth students were making in grades 1-5.
- Review ELA RISE scores for the entire school. The school has shown lots of growth since last year. This year we have 29% of students at benchmark and 6% of students above benchmark in ELA.
- Math and Science test are still in the process of being given.

Budget

We have spent our Land Trust money for the year. The final payroll for hourly employees will come out of Title One funds liked planned.

Traffic

We are waiting on the city to do a traffic update, to see if we need a crossing guard at Westridge Blvd.

SCC Openings

We have two new parent openings for community council next year.

Follow up

- Sharon will send out an email to parents and letters with students for community council for next year.

Next Meeting
