Date: March 7, 2022

Time: 5:00 pm

Location: Media Center

In Attendance

Halli Taukiueva

Sharon Sonnenreich

Aryann Farani

Andrea Griffiths

Christina Torres

Approval of Minutes

The minutes for January were read and approved.

February meeting was cancelled.

Due to SEP's and Valentine's Day the February meeting was cancelled.

Acadience Report

- 1st grade is doing good in Acadience Math scores.
- Review each grade level Acadience math scores.
- Review a new report of DIBELS scores for the entire school.

Budget

Review the Land Trust budget. We are on track for the end of the year with a quarter of the money left over.

Traffic

Mike Millett came out on Dec. 14 and review the traffic conditions and said that at this point there is no reason for concern.

FTE

- Next year we are expecting 292 kids in the building and we were allotted 10.5 FTE.
- Due to the number of kids entering 2nd grade, the good scores first grade is showing, and the current struggles in 3rd grade; Sharon would like to get another teacher.
- The extra teacher would help reduce class sizes to keep the kids on track and making excellent growth.
- Sharon wants to take money from the federal Emergency to buy a new teacher.
- The council approves of this idea for a new teacher.
- The plan for FTE will be drafted and sent out by email to approved.

Other

We will be getting 13 ViewSonics installed during the summer to replace damage SMART boards.

Follow up

- Sharon will follow up with Mike Millett and Eric to see if we can get a crossing guard for Westridge Blvd.
- The community council has requested that all data be presented with a graphic like a pie graph that makes reading the data easier.

Next Meeting
