## Approval of Minutes

The minutes for December were read and approved.

## Motions to the Board

Aryann Farani motion for Halli Taukiueva to be added to the board. The motion was seconded by Andrea Griffiths.

## Dibels Report

- According to the data presented 3<sup>rd</sup> grade is struggling with their readers making progress in reading. There are two interventions that work with third grade currently to help them improve.
- Also, we plan to have the whole grade level repeat the phonics template to increase their awareness of letter sounds and vowel sounds.
- Also, 1<sup>st</sup> grade result were low, but that is due to the change in the test the students take. They are now being asked to read a passage so that usually results in the scores being lower in the middle of the year.
- 4<sup>th</sup> Grade was mentioned as doing really well with increasing students progress.

## Budget

Review the Land Trust budget. Half the money has been spent for the year.

## Follow up

- A different report was requested for Dibels Data showing the break down of how many are in each grouping and the progress they made from the beginning of the year until the middle of the year.
- Sharon will follow up with Mike Millett and Eric to see if they have done the traffic survey.
