Principal’s Message

Dear Patrons,

It is hard to believe that there are only three and one-half weeks left in the school year. This year, as you are aware, the school year ends prior to the Memorial Day weekend. It seems like so many things are being compressed into a much shorter time frame. Please read the dates of upcoming events carefully and calendar appropriately for your family.

This has been another exciting year for Skyline High School. U.S. News and World Report ranked Skyline 305 in the Nation and the top school in the State of Utah. Newsweek also recognized Skyline by distinguishing it as one of America’s most Challenging academic schools. Congratulations are in order for a job well done to students, parents, teachers, counselors, Community Council, PTSA, and staff at Skyline.

Thanks to all of you for your efforts and support throughout the year. It is so critical in helping Skyline continue to be the great school that it is.

Sincerely,
Principal Doug Bingham

PTSA Message
Thank you for making Skyline successful! We appreciate the many hours of dedication that all parents, teachers, staff and students give! As the year is ending we have had many great accomplishments to celebrate. Skyline was ranked the #1 school in Utah, we had an Excel Award given to our ASL teacher, Mrs. Tolley, volunteer awards to Ian Collison and Amy Garff and numerous athletic, academic, art and drama recognitions. Congratulations Skyline!

We understand that some years it is easier to volunteer than others. If you find that you are able to dedicate some time this upcoming year by serving on the PTSA board please let us know at skylineptsainfo@gmail.com or text me at 801-910-5059. We especially need a President. We also need AP proctors still, please contact Nichole Nielson at skylineptsavolunteers@gmail.com if you are able to help.

I've loved serving as president and appreciate the care everyone has for our students and school. I've appreciated the many hours that people have given to the new grade configuration discussion. My research has shown that there are significant social and psychological effects of having 9th graders in the high school. I encourage everyone to do the research on what is best both short and long term for the students of Skyline High. The district is putting together a survey that will be randomly done. The results of the survey will be shared by the district with the public. If you are asked to take the survey I encourage you to do so. This is a significant decision for our community I trust that your input will be valued and given great consideration.

Carol Tree, President Skyline High School PTSA

Congratulations!
There are so many things to celebrate in this newsletter!

Career Center

Concurrent Enrollment (CE) registration for the 2016-17 school year will be taking place this spring. All students who have requested to take a CE class or a CE-eligible class next year will be receiving an informational letter in the mail.

When you receive this letter and information, please follow the instructions and then return the Student Participation form and the college student number to the Skyline Career Center. Our local CE affiliated colleges have moved up their deadlines which means you must complete this registration process this spring in order to ensure enrollment in the fall.

If you are unfamiliar with concurrent enrollment, concurrent enrollment classes are college-level classes offered to high school students for both high school and college credit. Taking a concurrent enrollment class is a great opportunity to get started on a college certificate or degree while still in high school. One thing to note about CE credit; acceptance of this credit is only guaranteed at “state” schools within Utah and may be major-specific. However, wherever a student plans on going to school, whether in-state or out of state, it would be wise to contact the respective school/schools regarding CE credit acceptance.

And finally, we would like to remind you that April-May is a great time to begin applying for summer employment. We held a job fair at Skyline on April 20 with 10 employers in attendance: Cottonwood Heights Rec Center, University of Utah, Hogle Zoo, Granite School District, Water Gardens Theatre, Great Harvest, Old Navy, FUSE Solar Sales, Fairmont, Seven Peaks, Swaner Preserve, Red Butte Gardens, Millcreek Gardens. Other, summer-specific employers such as Lagoon, BSA, and Park City Resorts, are also hiring this time of year. If this is something that you are interested in, I invite you to visit their human resources web page for more details and/or call them directly. We also have a job board by the Career Center with current employment opportunities.

Please visit the Career Center website for additional information and resources. As always, we welcome your questions and comments.

Drama

If you see any of the following students, please be sure to congratulate them!

Urinetown won Best Orchestra, Best Vocals, Magic Moment, and Best Director at the district performing arts awards! **Sarah Adamson** also won a Best Cameo Actress award for her role as the fiddler from Fiddler on the Roof.

Both Urinetown and Fiddler on the Roof are also up for even more awards at the Utah High School Musical Theatre Awards in Ogden on May 7th.

And, the following students received acting nominations:

And then, finally, we competed at State Drama Competition! The following students earned medals for straight superior ratings:

<table>
<thead>
<tr>
<th></th>
<th>Lydian Hartman</th>
<th>Sophia White</th>
</tr>

<tbody>
<tr>
<td>Kai Reyes</td>

</tr>
<tr>

**Jace von App** placed 3rd in Pantomime, **Kai Reyes** placed 2nd in Humorous Monologues, and **Meghan McGinnis** (who placed 1st in Humorous Monologues last year) placed 1st in Dramatic Monologues! That’s back to back victories for Meghan in two different categories!

The Skyline Slylines, competed in the state improv competition at Murray High School last Saturday, where it was one of only two schools to earn straight superior ratings (the highest possible score). **Senior Alex Miller** also received an honorable mention acting award.
