Principal's Message:

Dear Patrons,

A famous author once said of time, “How did it get so late so soon? It’s night before it’s afternoon. December is here before it’s June. My goodness how the time has flown. How did it get so late so soon”? - Dr. Seuss.

A school year travels so fast in time. We are already closing in on the end of first term. Fall athletic teams are completing their seasons and vying for seeding at the state level. Some have already completed their seasons having performed at a very high level this year. Skyline’s opening this year was smooth. It seemed like we hit the ground running from day one. What a credit this is to your students, you as parents, and our fantastic staff here at Skyline. On September 4, 2016, the Granite School District Board of Education approved the grade reconfiguration proposal from the Skyline network to move 9th graders into the high school and 6th graders into the middle school.

This has triggered many meetings, discussions, and conversations with those who have traveled this road before to help us plan, prepare, and be ready to add an additional 500 students to Skyline. This is an ongoing process but one that we are deeply engaged in already as we move from planning into action so as to be ready for our new students. We are excited to be welcoming this new group of students to Skyline next year.

This past year has been another outstanding year for Skyline. You may have seen recently that Skyline was listed as The State of Utah’s Top Public School this past year. This takes great efforts from all stakeholders to help make this happen. We are proud of our heritage of excellence and wish to thank all who make it happen consistently: Parents; Students; Faculty and Staff; and Community Members.

One Community Group that works hard to help us be successful each year is the Skyline Community Council. Their mission is to help produce a School Student Achievement Plan (SSAP), and as part of that a Land Trust Plan and approval of monies to support school initiatives. Last year monies were appropriated to fund three Graduation Coaches. These coaches help provide additional time and support for students to help them be successful. One way we measure their effectiveness is by the graduation rate of our senior class. Last year’s graduation rate was 96.5%. Monies were appropriated to provide tutoring help by staff and other groups such as the National Honor Society students who tutor twice a week and an hourly mentor coach for IB students. Professional Development and training for staff is an important aspect of keeping highly qualified teachers and the council approved spending in this area.

Additional monies have been spent to upgrade technology in the classroom. The district has purchased Chromebooks and Chromebook carts for all English and Math classes. These Chromebooks and carts are housed in each of the aforementioned classrooms. Additionally, the school has purchased 3 Chromebook labs w/carts and two laptop labs with carts. These will be beneficial as we reconfiguration rooms for the incoming 9th grade next year.

Granite School District also made improvements to Skyline High School this past year. A new roof was placed on the graphics and auto building. The basketball floor was completely sanded down, broken boards replaced, and it was repainted and modernized. It looks fantastic. It is much safer and will be a place where students can have pride in their school. Our basketball teams will especially enjoy the new arena; it is so much brighter in the gym. Thank you Granite School District.

We are off to another great school year because we have great students, great parents, great faculty, staff, administration and a fantastic community. The PTSA Parent Teacher Student Organization is helpful and supportive in every way and adds so much to a successful school year. Thank you so much for your efforts.

Thanks for all that all of you do to support students, staff, and parents at Skyline High School. Our student body officers came up with a great slogan for the year “Skyline High School-A Place Where You Belong”. Skyline is a great place. A place where we can all work together for everyone’s success.

Go Eagles!

Doug Bingham, Principal
PTSA President's Message:

Welcome, From Skyline PTSA where parents, teachers, and students work together!!

The PTSA has been busy this year helping with school registration, picture day, a fabulous teacher and staff lunch kick off, gift appreciation bags for our teachers, meet the candidate night, and at every football game providing logowear for our students….and more!!

This year we are excited to announce not only parent and teacher board members, but a new Student Council PTSA Board. These students have already helped in many ways. Live streaming debates with community candidates in our area, Meet the Candidates Night, and developing advertising for Reflections. Our student PTSA Board members are as follows President: Ivy Black, Legislative VP: Abigail Swift, Leadership VP Andrew Hockman, Sec: Emilee Edman Student Council: Riker Evans and Jensen Wood

Thank you so much for your generous contributions so far to Skyline High School PTSA!

We are doing well with our membership drive and there are many great benefits to being a member of the PTSA. Your member dues go to help fund not only great programs at our school, but worthy endeavors by the PTSA both nationally and state wide.

What you may not realize is another option to help our school's programs, and that is through donation. Your donations to Skyline PTSA stay 100% at our school and help fund the following programs.

- Back to School stomp
- Teacher Mini-Grants/School club grants
- Teacher Appreciation/Parent Teacher Conference snacks
- Student activities
- Reflections
- Graduation Party
- Senior Dinner Dance
- School Gift
AND MORE!

The pool of money that the Skyline PTSA operates with has been slowly decreasing for a number of years. This is of great concern. We are reaching out to you to spread the word to others who may not know of all the great things the PTSA helps with at Skyline. We are still accepting donations! We have a GOAL to raise around $4,000 more dollars. There are bronze, silver and gold level donation suggestions but any donation is appreciated! Please help us meet this goal, or it may become necessary to do a fundraiser a little later on this year. You can go to the Skyline school Webstore to make a donation: payskyline.us

Thank you again for all you do for Skyline and its students. I am honored to serve as your Skyline PTSA president this year!!

Kathy Swift
Skyline High School PTSA President 2016-2017

School Climate Survey

Granite School District and Skyline High School are participating in the School Leadership Grant. This is a federal grant that will benefit the district and Skyline High School. The information from the survey below will aid in identifying conditions for learning, which are an important predictor of student achievement.

As part of this, we are asking parents, students, and staff to participate in a short (3-5 min) survey. (You will be asked to take this survey twice this year.) This survey can be accessed from any device that has the Internet, by going to http://www.C4LQ.com. The survey is completely anonymous, and is accessed with a code. We ask that each of you please take the time to take this survey during your allotted window.

Directions:

1. Parent, student, or staff can access http://www.C4LQ.com through any Internet browser from any Internet capable device.
2. Enter the 6-digit code that corresponds to your status:
   a. C4L Parent: 731527
   b. C4L Teacher/Staff: 538588
   c. C4L Student: 874295
3. Complete and close the assessment.

The district has asked that the survey be completed in the following time frames:

2. Students/Staff: thru-October 14.
Pictures

Make-up yearbook pictures can be taken at the LifeTouch studios. The deadline to be able to get your picture in the yearbook is November 23rd, 2016. Students and parents can call Tami at 801-676-0300 to schedule a time for the make-up pictures.

Smith’s Earn & Learn Program

Earn money for Skyline every time you use your Rewards Card at Smith’s! Our school’s share of the money is based on the percentage of purchases made by Smith’s Community Rewards participants linked to Skyline. Skyline received checks totaling $1672.33 last year.

The more participants we have, the more we can earn -- so sign up today!

Participants are now required to re-enroll in the program at the beginning of each calendar year, so sign up today and again in January. All enrollments must now take place online. To enroll or re-enroll:

- Go to SmithsCommunityDewards.com.
- Click on “Sign In” or “Register”.
- Go to Account Summary
- Add your Rewards Card Number
- Scroll down to “Community Rewards”. Enter Skyline’s code: 81119.

Counselor Calendar

10/1 Continued PSAT registration at bookstore (open to Juniors)
10/1 Out-of-State College Fair (RMACAC) at Juan Diego High School, 1-3:30pm
10/5 FAFSA night @ Media Center, 5-7:30pm
10/7 PSAT registration opens to Sophomores
10/18 Last day to register for PSAT
10/19 PSAT test, arrive at Aux. Gym by 7:15 AM
10/22 ACT Test - Bring Picture ID & admission ticket!!!

Counseling Center

College, Career and Readiness Meetings
Senior and Parent, College, Career and Readiness Meetings: Parents, if you have not yet attend the individual CCRP meeting with your senior, appointments will go through October 13, 2015. They will be 30 minutes and may be scheduled between 8:00 a.m. and 1:30 p.m. M-F. Please check with your student for the best time in their schedule before scheduling. Please call 385-646-5421 to schedule an appointment. We look forward to meeting with you and your student.

PLEASE PARK IN THE VISTOR PARKING

October 17th: PSAT - 7:15 A.M. - Auxiliary Gym
PSAT is a test for Juniors; however, Sophomores may also take this test as a practice test, but need to take the PSAT again as a Junior to qualify for the National Merit Scholarship. This is the practice test for the SAT, and also qualifies Juniors for the National Merit Scholarship. There are 325 tests available; they are sold on a first come, first serve basis. Cost $ 15.00. Please pay in the Bookstore or on the Webstore payskyline.us.

NHS Peer Tutoring

- All Subjects
- After School, 2:10-3:10 PM
- Tues & Thurs in Room 107 (Schneider)
- Science tutoring Wed in Room 133 (Forster)
- Drop by any time you need help with homework!

Things to Know about the Library:

- Library hours are 7-3:30 each day.
- You can check out books for two weeks with your student ID card. If you need/want more time to read a particular book, you can renew it.
- You can request a book for purchase by clicking on the Media Center tab on the school website; this will take you to the Skyline Media Center page. Book requests can be found under Library links.
- You can access Destiny (our library software) from your own student account on the computers. With Destiny you can look up your fees from the library, browse the library catalogue, and place a hold on a book.
- **FOOD AND DRINKS** (including water) ARE NOT ALLOWED in the library. But we do have an outdoor courtyard that you can use for eating – just ask a staff member to unlock the door for you.
- We love to have students spending time in the library, but we do ask that you clean up after yourselves – Please throw away any trash and push in your chairs before you leave.
- Check out what your teachers are reading by seeing what they have posted on their reading tiles.
- Did you know that you can checkout iPads in the Skyline library? There are 25 iPads available for checkout to students for two weeks at a time. All you need is an approval form filled out by you and your parents. You can get one from any library staff member.
- Check out our monthly library promotions, they change each month. These can also be found on the Skyline Media Center webpage: www.skylinemediacentre.org.
- Follow us on Twitter at @SkylineMediaCtr, and Facebook at www.facebook.com/skylinemediactr.

Reading to Go. . .

Does your student hate to carry a book, or pay late library fees? Check out books using the OverDrive app, and solve this problem. Students already have an account. Follow these directions to get started:

1. Download OverDrive App. (This app is available through iTunes, Google and Android stores, and other eReader devices.) Great thing this app is free!
2. Create an OverDrive account. This allows books to be visible on multiple devices.
3. Click menu.
4. Add a library
5. Search for your school and click on it.
6. Click the star and then “Granite District”.
7. User Name and Passwords are student computer login.
8. Download eBooks or audiobooks for reading or listening in the OverDrive app.
9. Enjoy up to three books at a time.

Books will automatically return on due date, with no late fees. Anyone who checks out a book on OverDrive gets entered into a monthly drawing for prizes.

Lights, Camera, Read

Skyline Media Center’s theme this year is “The Eagle’s Nest: Lights, Camera, Read”. Join us as we highlight various books within our stage that are movies, may be movies, or we think should be movies.

Each time you check out a book you will receive a due date bookmark. When you finish the book fill out the front and back of the card and return it to the media center. Each card is an entry into our monthly drawings and the final drawing at the end of the year for a Kindle Fire. The more you read the more chances to win.
The Pathways to Professions

I am sure you are aware of, or will hear about soon, The Pathways to Professions Event that is coming up Oct. 12 & 13. Massive promotion has begun for this event through TV, radio, Outdoor, Social Media, mailers even robo-calls. Our district wants high participation and support of this event and is providing busses for students during school and after for these 2 days (an “A” & a “B” day). Parents and community are also invited.

It is an incredible opportunity for our students to become aware of, explore and make contacts in MANY fields. This will help them tremendously with a career and/or job. There will be industry professionals in Health Sciences, Business, Information Technology, Engineering, Aviation, Visual Arts, Family and Consumer, Agriculture, Protective Services, Mechanics Building Trades and MUCH MORE!

Please encourage students to sign up either in the career center or room 151.

Career Center

College and Career Ready means that you are ready to apply to for college and you are ready to take college-level courses. It also means that through career experiences (classes, internship, volunteering, seminars, etc.) you have some skills and are ready to make college major choices.

We just finished with College Day (September 9), but we have many other events scheduled this fall to help students in their pursuit of College and Career Readiness.

- Pathways to Professions: October 12-13, South Town Expo Center. Each area of Career and Technical Education (CTE) will be represented by education, college, and business: health care, engineering, construction, aerospace, automotive, business, etc.
- Out-of-State college visits: Please visit the Career Center website for more details.
- College Application Week: November 7-11, helping students overcome application barriers and helping students apply for college
- State ACT test: February 28

Right now is an important time for Senior students to apply for scholarships. We have several popular scholarships posted on the Skyline Career Center website. You may also visit www.UtahFutures.org or www.bigfutures.collegeboard.org. Both of these websites offer a comprehensive scholarship search which gives you access to thousands of scholarships. We recommend that Senior students apply for at least two scholarships each month during their senior year of school. Last year our students earned over $12 million dollars in scholarships. If you do not fill out the application, then your portion of the $12 million will be zero.

It’s your last opportunity to take the ACT and submit your scores to colleges before the priority application deadline (December 1) at BYU, SUU, and U of U is October 22. To sign up to take the ACT you must go to www.actstudent.org. If you have not yet signed up for the October 22 test date you may still do so as a “Standby” examinee. All junior students will take the ACT here at Skyline for free during the school day on February 28.

To help students prepare for the ACT, USOE is paying for the use of an ACT preparation website: www.shmoop.com/utah. To gain access to this website you must go to the website, find the Skyline signup page, create a username and password, then enter the “Magic” word (ARCHES). Each of these events are also published on the Career Center website: www.skylinecareercenter.weebly.com

As always, we welcome your comments and questions.

Office phone 385-646-5423
Summary of Skyline Math Contests

- **AIME:** The American Invitational Mathematics Examination is a three-hour test consisting of fifteen questions. Only students who perform exceptionally well on the AMC are invited to compete. The AIME is the second level of determining the United States Math Team.

- **AMC:** The American Mathematics Competition is the first in a series of contests that are meant to determine the six-member United States Math Team who will compete in the International Mathematical Olympiad. There are three levels of the AMC and those who are in the top 2.5 - 5 percent on the AMC 8, 10 or 12, respectively, are invited to perform in the AIME.

- **ARML:** The American Regions Mathematics League is held once a year nationally. High school students in teams of fifteen represent their city, state, county, or school to compete against other teams from the United States and Canada. The events include the Team, Power, Individual, and Relay rounds. ARML is held simultaneously at Penn State, University of Iowa, San Jose State University, and the University of Georgia.

- **Math Madness:** This is a computer based competition created by the same people as the AMC series. Students log in at a specific time every week and the contest sets our school up against other schools in single elimination brackets similar to March Madness. The team score is the average of our top five scoring students. Individuals on each team are also paired off to compete against each other based on past scores. This allows students to not only compete against themselves but also another student of similar ability level. Math Madness starts at the end of September and goes through December.

- **USAMO:** The United States of America Mathematical Olympiad is held annually for only about five hundred invitees. The contest spans two days for a total of nine hours to fully answer six exceedingly difficult math problems. It is the final round of the AMC contest series; the top scorers on the USAMO go on to represent the United States at the International Mathematical Olympiad.

- **National Assessment and Testing:** This association is in charge of several national math competitions that members of the Math Team compete in. They include the fall startup event, the team scramble, ciphering time trials, and four-by-four competition. There are both individual and collaborative competitions and each has different scoring methods and rules. The events are spread throughout the school year beginning the fourth Thursday in September.

- **SMC:** Utah’s State Math Contest is held every March at a Utah university, where students from all throughout Utah compete on an individual basis. The contest is made up of forty multiple-choice problems, and the top six scorers from each grade receive a cash award and recognition at an awards banquet. (BYU will be hosting 2014-2017.)

---

**ACT Test Review Classes for the October 22nd test**

- Math & English classes will be held October 12-14, and 19-23.
- Classes are $30 per subject. Pay registration fees in advance at the bookstore. Make checks payable to Skyline High School.
- Math classes will be taught after school in Room 110 (Mr. Norris).
- English classes will be taught before school in Room 123 Mr. Erickson & Room 116 Ms. Bucaria)

**Message from Jostens:** Your student should have turned in and completed their order for cap, gowns, and accessories. If your student missed Jostens on order day please call 1-800-567-8367 or visit [www.Jostens.com](http://www.Jostens.com) to place your order. Completing this in a timely manner will avoid any late fees that could be added.
Congratulations Sophomore Officers!

Congratulations to our newly-elected sophomore officers:

- President: Andrew Chandler
- Vice President: James Hamilton
- Secretary: Ella Edgley

Sterling Scholars

Attention Seniors! Sterling Scholar applications are now available in the main office. Applications are due no later than 2:30 p.m. on Tuesday, October 18th. All applicants must be available on Wednesday, February 15, 2017 for semi-final judging and finalists must be available on March 2, 2017 for judging and interviews. If you are not available on those dates, please do not apply to be a Sterling Scholar. If you have any questions, please contact Mrs. Lovato at krlovato@graniteschools.org or 385-646-6802.

Note: Detailed info on Sterling Scholar is available at www.sterlingscholar.org

Skyline Baseball

Fall Hitting and Fielding/Pitching Classes
Take Your Game to Another Level!!

Coach Eric Morgan and his staff at Skyline High School will be hosting two fall classes that will be eight sessions each, and will include a Hitting Class and a Fielding/Pitching Class. Players will be introduced to advanced mechanics, approaches, and other skills to take their game to another level! Each player will also be provided with their personal video and development plan to help them throughout the winter season. Classes will have limited participants (10-15) in order to ensure players will have adequate individual instruction and attention from staff members. Sessions are for players in the 8U-14U age groups, no exceptions. Classes will fill up quickly and are first-come, first-served. Don’t wait, register today!

Classes run from November 1st-December 1st
Hitting Class – 5:00pm - 6:00pm
Fielding/Pitching Class – 6:30pm - 7:30pm

Skyline Boys Golf Team

Blake Tomlinson won 4A State Medal & Skyline Captures Region 6 Team Title

Congratulations to senior Blake Tomlinson who won the 4A Individual State Championship at Soldier Hollow Golf Course on October 3rd and October 4th. Blake shot 66 on the first day and 71 the second day to wrap up the title. The Skyline team was in 2nd place after the first day of the tournament but faded a bit on the second day and ended up in 5th place overall.

Blake also won the individual region title for the second consecutive year. He was recently named ‘Prep of the Week’ by both the Deseret News and KUTV (channel 2) for his outstanding play. Blake has committed to play golf at the University of Utah.

The team won the Region 6 championship on Monday, September 26th at Glenmoor Golf Course. Over the past eight weeks the golf team has competed against all of the schools in our region in weekly 18 hole tournaments as well as 9 hole “duels” against each individual school. The region title turned out to be a dog fight between Skyline and Olympus. Olympus got the upper hand winning the first four region tournaments but our guys battled back winning the last four tournaments including the region championship tournament. The Skyline boys won all of the duel matches with the exception of a tie against Olympus.

Other key members of the varsity team included seniors Jonny Wright, Marcus Corbett, Cole Popp; freshman Abe Thomas; sophomores Philip Meima, Brandon Soto, and Oliver Kwon; and junior Jacob Hansen. The JV team included juniors Taylor Bishop, Carter Nelson, David Holding, Cole Bennett, and sophomores David Bengtzen, Brox Felix, and Coleman Wall.

Wrestling

As fall kicks into full gear Skyline’s wrestling team is preparing to start Nov. 7th. We are very excited for the wrestlers we have returning and would like to invite anyone interested in joining the wrestling team to contact Coach Syd Lott at slott@graniteschools.org. There will be an informational parent/player meeting Tuesday October 25th at 6:30 pm in the media center for all those
Does your student owe fees?

Username: student #
Password: student’s first initial and last name

- Registration fees and class fees are now overdue.
- Questions? Click the “Contact Us” button on the Webstore. It will email dyates@graniteschools.org, Skyline’s bookkeeper.

Calendars Notes
- Oct. 19  PSAT Test
- Oct. 20/21 Fall Recess, No School
- Oct. 22  ACT Test
- Oct. 27  End of 1st Term
- Oct. 28  No School

Attendance Reporting
385-646-5433

- Skyline does not accept written excuse notes from parents. Students who leave without a street pass will not be excused.
- You must call all absences in on the day of the absence on the attendance phone line by 2:00 p.m. Please have student number available.
- No absence will be retroactively excused after three days. Medical excuse notes from a doctor must be submitted within three days. Fax: 385-646-5422.
- PARENTS SHOULD CHECK THE PARENT PORTAL OFTEN FOR ANY ERRORS. STUDENTS SHOULD TALK DIRECTLY TO THEIR TEACHER IF THEY FEEL THEY WERE INCORRECTLY MARKED ABSENT.
- If student is going to be more than 10 minutes late, call before they arrive. They must check in to be excused.
- Your call will forward to voice mail if the Attendance Secretary is on another line.
- Go to https://portal.graniteschools.org/ to request attendance updates via e-mail.

MUSIC OLYMPICS!

Tuesday, Oct. 18th at 7:00 pm
In the Skyline Auditorium

Come hear the Skyline Bands & Orchestras play music that the audience has chosen as their gold, silver, and bronze medal favorites!
We will also feature music from around the world – including, of course, BRAZIL!

Reflections Contest

What is Your Story

- Go to www.utahpta.org/reflections for forms and rules. Please fill out all forms.
- All submissions are due in the Main Office on November 2nd before school.

My Fair Lady

Nov, 3, 4, 5, 7 @ 7:00pm
Adults $9 Students $7
Tickets available online at skylinedrama.com

Skyline High School is thrilled to be presenting Lerner and Loewe's classic musical, My Fair Lady, opening November 3. Described by critics as "the perfect musical," this show is the standard by which all other musicals are measured. Based on George Bernard Shaw's play Pygmalion, My Fair Lady is gloriously triumphant. The tale of a cockney flower girl transformed into an elegant lady features one of musical theatre's greatest scores. Songs include "Wouldn't It Be Loverly?," "With a Little Bit of Luck," "The Rain in Spain," "I Could Have Danced All Night," "On the Street Where You Live," "Get Me to the Church on Time," and "I've Grown Accustomed to Her Face."

Skyline's production features the supremely talented Jenna Urry and Ben Engel as the lover-ly Miss Eliza Doolittle, and her irascible dialectician, Professor 'enry 'iggins. The school was also fortunate enough to secure another talented dialectician to coach the actors: Ms. Sarah Shippobotham, a professor in the U of U's prestigious Actor Training Program, who recently completed work as a dialect coach for Peter Jackson's Hobbit trilogy!

My Fair Lady plays November 3, 4, 5, and 7 at 7:00pm in the Skyline Auditorium. Tickets are $9 for adults and $7 for students, and are available online at skylinedrama.com. (Credit card sales are subject to a $0.50 per ticket processing fee online, and $1.00 per ticket fee at the box office.)

Improv Cage Match

October 28 @ 7:00pm
Skyline Black Box
Adults $7, Students $5
skylinedrama.com

Every month, Skyline Drama hosts an improv cage match: an exciting and often hilarious competition between two teams of improvisational actors, where the winner is chosen by the audience! In September, Salt Lake Community College's official troupe, Majoring in Improv, faced off against the University of Utah Youth Theatre’s team, Kazum Jackson's Hilarious Plague. Now, for October, a brand new team of Skyline students, known as The Fridge, and led by the nigh-legendary Princess Sausage, will challenge our previous champion! This show will also feature an open mic and poetry slam, as well as a performance by Skyline’s house team, The Skyline Slylines, who will have just returned from competing in Ye Olde Improv Competition in Cedar City!

Improv Workshop with Mark Macey

October 29, 9:00am –12:00noon
Skyline Black Box
Students $10
skylinedrama.com

The morning after every Improv Cage Match, Skyline Drama hosts a guest instructor for a three-hour workshop for improvisational actors. The class is open to all secondary and higher education students and their teachers. This month, the class will be taught by Mark Macey, a graduate of the Dell’Arte International Professional Training Program, and will focus on clowning and physical comedy! The workshop costs $10 for students, and teachers are free!

Skyline Swords

Wednesdays from 6:00pm - 7:30pm
Skyline Auditorium
Free
skylinedrama.com

Every Wednesday night in the auditorium, Skyline Drama is hosting stage combat training sessions, to prepare actors for the fight work in the spring production of Macbeth. The training is taught by actors certified in stage combat with Dueling Arts International and the Society of American Fight Directors. Classes will include unarmed and broadsword fights.

Credit Recovery

A way to make up that failed class!

• Every Tuesday @ 2:15 p.m. in Room 128.
• $25 for each failed class. Pay in advance at bookstore.
• Must have a referral from school counselor.
• Bring the referral and your payment receipt to class.
• Questions? Contact Mrs. O’Driscoll, Room 128, jodriscoll@graniteschools.org.

Citizenship Class

Raise your citizenship average above a 2.0!

• Every Tuesday @ 2:15 in Room 128.
• $10, pay in advance at bookstore. Bring receipt to class.
• A total of four class hours equals one “4” in citizenship.
• Ask Mrs. O. about the CAR program, another way to enhance your CPA.
• Questions? Contact Mrs. O’Driscoll, Room 128, jodriscoll@graniteschools.org.
Skyline Is Hosting A Blood Drive To Give Back...
