Admission professionals from post-secondary institutions are welcome to visit with students and counselors on our campus. We offer a “College Day” for officials visits from our in-state universities annually in October. Other interested visitors from in-state and out-of-state schools may schedule visits during the school day through Mr. Scott in the Career Center. Phone: (385) 646-5423

Skyline High School, home of the Eagles, has a proud tradition of excellence. This achievement is a result of a cooperative effort between students, teachers and staff, administration, parents, and the community. While we are proud of our previous accomplishments, we are enthusiastic as we strive to incorporate pertinent innovation into Skyline’s curriculum and outreach programs.

In 2016-2017, Skyline seniors received $11,000,000 in scholarship offers

International Baccalaureate Programme

In 2004-2005 Skyline was accepted as an IB Diploma school and began offering coursework in the following areas and levels: Currently enrolls 9th–12th grades.

- Standard Level (1 Year Study)

- Higher Level (2 Year Study)
  - English, History, Spanish, IB Math (Stats, add’t studies), Biology, Chemistry, Theater, Dance, Psychology, Visual Art, French and Music.

Community Of Caring

Service become Service Scholars. Several Skyline students have received the Martin Luther King Award.

Comprehensive Guidance

This is a school-wide program stressing student academic achievement, career and educational decision making, and personal and social development. Guidance is a proactive program that addresses the needs, goals, and concerns of all our students.

Concurrent Enrollment

Concurrent Enrollment classes are college-level classes offered to high school students for both high school and college credit. Skyline has a comprehensive concurrent program offered through Salt Lake Community College, Utah Valley State College, and Weber State University. Concurrent offerings include classes in art, business, computer technology, physics, cabinetry, digital-media, interior design, and athletic training.

*Theory of Knowledge
Skyline High School fosters a community which values character, personal responsibility, and intellectual curiosity in order to achieve a high level of student learning.

We Believe

• in promoting and recognizing the worth and dignity of each individual.
• in fostering individual accountability and responsibility.
• in focusing on education, making quality classroom instruction a priority.
• in teaching skills that prepare students for the future.
• in offering a variety of opportunities for all students.
• in establishing a partnership between education and community.
• in developing citizens who contribute to society in a positive manner.
• in providing a safe and healthy environment.

School District and Community

Skyline High School is one of eight comprehensive high schools in the Granite District which is located in the Salt Lake Valley.

Men's and Women's Athletics

Six years out of the last nine, Skyline has been named the Most Outstanding 4A Sports School of the Year by the Salt Lake Tribune, and The Deseret News named Skyline as the Women's Sports School of the Year. Since 1990 Skyline has won 54 State Championships, a high for our Region and School District. Over 400 men and 350 young women participate in a UHSAA activity.

Debate

Skyline Forensics is a nationaely ranked program. Skyline has achieved unparalleled records in individual speech events. Each year a record number of Skyline debaters are named region and state champions. Skyline boasts several students recognized as National Forensics League Academic All-Americans.

Off-Campus options/GTI

The “Tech Center” for Skyline and the Granite school district is the Granite Technical Institute. (GTI, http://schools.graniteschools.org/gti/). This year, the GTI offers 83 Career and Technical Education courses associated with 14 different fields of study. Examples of these courses are: Medical Assisting, Dental Assisting, Plumbing, Marketing, Computer Programming, Aerospace Manufacturing, Agricultural Science, Engineering Principles, Pilot Ground School, etc... Busses are available at Skyline to transport students to and from the GTI. Two hundred and twenty-five Skyline students enrolled in one or more classes at the GTI during the 2016-17 school year.

CTSO’s

Skyline sponsors each of the following CTSOs: DECA, FBLA, Skills USA, TSA. These organizations are established with the commitment to make a positive difference in the lives of young people. In addition to offering a wide variety of specific career and technical training, CTSOs integrate student leadership elements, which compliment student participation in Career and Technical Education (CTE) courses and programs.

Instrumental Music

The Skyline Instrumental Music Department continues to be one of the premier music departments in the state of Utah. The Wind Ensemble, Jazz Band, and Orchestra consistently receive superior ratings at region, state, and national festivals. Highlights of the year include concerts, Skyline concerto night, a musical theater, and tours.

Vocal Music

Skyline’s Choral groups have consistently earned a reputation of excellence, achieving the highest awards in regional, state, and national festivals. In addition to Madrigals and Concert Choir, Skyline has two Barbershop choirs - Troubadours and Highlites - a unique feature which draws many students to the school.
