

CONDITIONS FOR LEARNING

Skyline High School

PARENTS: YOUR CONTRIBUTION IS ESSENTIAL. PLEASE TAKE 5 MINUTES.

You have been invited to participate in the Conditions for Learning assessment. The few minutes it will take to complete the questionnaire are important to you, your child, and your school.

The questionnaire is very short, each statement has been thoroughly tested, and the results are helpful in improving (1) academic achievement, (2) student attendance, and (3) school safety.

We ask only a few questions because we value your time, and our research indicates that these questions are all we need to provide a thorough evaluation of the school. We have designed each question for a specific purpose and to provide only needed information.

In a short time, your school will have the results of this assessment. Ask to see the reports, celebrate accomplishments, and then offer to help your school's community council or other group to identify ways to improve your school.
