PROHIBITED ITEMS

- Alcohol
- Artificial Noisemakers (including air horns)
- Confetti
- Silly String
- Glitter
- Balloons
- Fireworks
- Glass Bottles
- Signs
- Weapons
- Food & Drink (1 bottle of water is allowed)

CONFETTI CLEAN-UP CHARGES

- If confetti or silly string is thrown or dispersed on the Floor, in the arena or outside on the grounds each school will be charged \$250.00 per occurrence with the minimum charge being \$250.00 for a single occurrence, \$500 for two and \$750.00 for three.

BALLOONS

- Balloons are not allowed inside the Arena.
- If they are brought inside the Arena then the guest will be asked to store them in the balloon storage area which is located across from Portal 23 in the Ticket Office Lobby. An Usher will assist guests with storage.

LEIS

- The Jon M. Huntsman Center will be implementing a new policy regarding graduation leis. Under the new policy school district administration will determine whether or not leis are allowed to be worn during the graduation ceremony.
- If the school district administration chooses to allow leis to be worn by students and staff on the floor during the graduation ceremony they must provide written notification to Jon M. Huntsman Center event management no less than 3 weeks prior to the graduation date. Additionally, if leis are allowed a \$2,000 cleaning charge will be added to the school districts invoice.
- It is difficult to keep the carpets clean due to the volume of students on the floor tight turnaround with having multiple graduations per day and when there are flower petals, leaves and candy that get stepped on and ground into the carpet it becomes even more difficult. To protect the floors, we need to have a cleaning crew available between each graduation to clean the mess created. The associated fee will cover the extra staff and equipment needed to clean the carpets between each graduation ceremony. Also, the fee will be used to deep clean the carpets after the graduation ceremonies have concluded.
- If the school district administration chooses to not allow leis to be worn by students and staff on the floor during the graduation ceremony leis will continue to be allowed to remain with family and friends in the stands or concourse during the graduation and can be worn afterwards.

STROLLERS

- Strollers are not allowed inside the Arena Bowl area as they block the aisles and the ADA accessible areas need to be set aside for wheelchairs and disabled guest seating.
- Strollers will need to be stored in the designated storage area which is located across from Portal 23 in the Ticket Office Lobby. An usher will assist guests with storage.

ELEVATOR POLICY

- Only graduating students with disabilities and faculty and school staff with disabilities who will be assisting with the graduations will be allowed to use the elevator.
- The elevator is located between Portals 6 - 7.
- An Usher can assist the student or staff in calling the elevator.

FLOWERS

- Flower sales will not be allowed on the premises unless the school district approves of an exclusive vendor. Individual schools may not approve of flower sales, it must be approved at the district level in order to maintain fairness at all graduations in the district.
- If the school district approves a flower vendor there may only be one vendor and the district official in charge of the graduations must provide a signed legal contract of exclusive rights to the Huntsman Center Event Coordinator. The school district official must also provide a way to identify the vendor such as a wristband or a hand stamp.
- Any vendor selling flowers on site without school district permission will be asked to leave the premises by the University Police Department.

PICTURES

- Pictures are allowed anywhere inside of the Arena except the Floor area as this interferes with the graduation ceremony.
- Parents and friends will not be allowed on the Floor to take pictures nor will they be allowed to block aisles or walkways during the ceremony.

SOUND CHECK

- A microphone sound check will be performed exactly ½ hour prior to the start of each school's graduation ceremony.
- Any speakers, choirs, madrigals, soloists or other musical numbers who would like to test the sound on the Huntsman Center sound system must be in place ready to go at this time.
- If the ½ hour prior to time frame is missed there will be no sound check performed as it will be too close to the beginning of the ceremony.

PROGRAM

- Please provide a copy of the program for each school's graduation ceremony at least one week prior to the day of the graduation.

- This will be especially helpful to the Huntsman Center sound technicians who will need to know what to prepare for in terms of microphones, musical performances and U-Vision show.

PROCESSIONAL & RECESSIONAL

- A formal processional of the graduates from the West Tunnel onto the Floor will be required.
- Graduates will enter the West Tunnel by walking down the sidewalk at 1800 East (Campus Center Drive) located down the hill west of the Huntsman Center.
- A recessional is also required to get graduates off of the Floor area and back up the West Tunnel so the Huntsman Center can prepare for the next graduation.
- The Huntsman Center can provide processional and recessional music if other arrangements have not been made.

CAP & GOWN RETURN

- Once the graduates have recessed up the West Tunnel they should turn to the right and proceed to the set of steps located on the northwest corner of the Huntsman Center. From there they should enter through the doors of the Huntsman Center located at the top of the stairs. Then proceed to the right to Portal 8.
- Josten's will be located across from Portal 8 for the graduates to return their caps and gowns and receive their return slip.

DIPLOMA DISTRIBUTION

- Diplomas will be distributed by the school's counselors to the graduates in the Lounge which is located across from Portals 2 & 3.
