

Skyline Goals: 100% Faculty PTSA membership & over 500 Community PTSA Membership

Hello All,

I wanted to take a few minutes and ask each member of our community to consider joining the Skyline Parent Teacher Student Association (PTSA). I have set a goal to increase PTSA membership and want to work with you all toward accomplishing it. My hope is to have 100% of our faculty become members of the Skyline PTSA. Additionally, my hope is to have over 500 members in the Skyline PTSA.

Skyline's PTSA is the best I have ever seen. They are so committed to the school, the teachers, and the students. Our PTSA is credited with creating the conditions where we can produce such high student academic achievement. Their work to support teachers and help them feel valued sustains them through long nights and tough days. The PTSA works to create opportunities for students to share their talents and skills and to receive the support they need to succeed at Skyline. Our school could not be what it is, Utah's highest ranked regular public high school, without the Skyline PTSA.

The Skyline PTSA has planned to continue to support:

- Teacher and Classroom Grants
- Mental Health Activities and Speakers
- Teacher Appreciation
- Reflections Contest Participation
- Graduation Supports
- Advocating for Students and Teachers

The PTSA calendar of support activities includes more than 15 different ways they support faculty and students throughout the year. This includes, supervision, chaperones, lunches, dinners and snacks, full dances, and other student activities. They really do so much.

Please, join the PTSA. Let's hit the goal of 500 memberships. It is also possible to even double that number. The cost for a membership is \$10. We are downloading the student class fees to student accounts on Friday, August 27, on the webstore at [payskyline.graniteschools.org](http://payskyline.graniteschools.org). You can add the PTSA membership to your cart easily and pay for the membership at the same time you pay your student class fees. Additional donations to the PTSA can also be made through the webstore by adding the donation to your cart.

No matter what, let's all thank our wonderful PTSA for their support of Skyline Eagles as they strive to RISE. Go Eagles!

Sincerely,

Mitch Nerdin, Principal  
Skyline High School
