

SKYLINE HIGH SCHOOL

PRINCIPAL'S MESSAGE

August 23, 2021

It was fun to experience the stadium ribbon-cutting on Thursday. Here are my remarks from that night:

“We are so excited to celebrate the completion of our new stadium. This has been the home to many competitions and events. Students come to this stadium to celebrate and cheer. They come to build memories and relive old ones. They come here to learn about themselves, learn about life, and learn about their place in this world. This has been the home to almost 60 years of Skyline traditions. Students throughout the years have come here to earn their place in history as an Eagle. An Eagle that has represented our school and our community well. We have had a long tradition of excellence that was forged in this location. State Championships have been fought for and won by the actions on this spot. More importantly, young men and young women have struggled through their formative years here and this place has helped them to grow and develop into the leaders of our community.

Our new stadium, this beautiful new stadium, will be the home to another 60 years of Resilience, Integrity, Support, and Excellence. At Skyline we expect all students to embody these attributes and RISE together to make this place a home for all students and a safe haven for their formative years.

We are only here today to celebrate this wonderful new stadium because of all of your support. Each of you has contributed something to the completion of this project. This is a milestone along the path to the complete rebuild of our entire Skyline campus. How great is it to have this stadium finally complete for our students and the community?

At this time, we will hand the scissors to the namesake of this fine field. Coach Roger Dupaix coached the Skyline Football team for a number of decades and helped to create the fine culture of high expectations for students and athletes here at Skyline High School. Surrounding Coach Dupaix are his wife and family, other coaches throughout the years, and the many other teams, coaches, and athletes that will call this stadium their home for years to come. Coach Dupaix, please, help us inaugurate our new Roger Dupaix stadium with this ribbon-cutting.

To Celebrate, each of us will let our balloon go when he cuts the ribbon as a symbol of our pride for Skyline High School and our collective efforts to help all EAGLES RISE.”

Skyline is such a great place, and it is only getting better. We are all so lucky to be a part of such a wonderful community and school. Thanks for sharing these experiences with me.

We want to hear from you about our great teachers. We will honor a staff member each week based on your feedback. Please, take a moment each week and tell us about the great things happening in the classrooms of Skyline High School. Here is a link where you can submit nominations: <https://forms.gle/mDQP7xybBCKnpg97>.

Sincerely,
Mitch Nerdin, Principal
