

SKYLINE HIGH SCHOOL

POLICIES & PROCEDURES

2022-2023

ACADEMIC HONOR CODE

Skyline High School has an Academic Honor Code (an extension of Skyline's Code of Conduct) that students are expected to follow at all times when completing academic work. The Academic Honor Code states that students will neither give nor receive any unauthorized aid on assignments or tests. Cheating can be defined as obtaining answers/work from another source (not your own work or answers on an assignment/test); this also applies to the student who shares the answers or work.

Additionally, all Skyline teachers have access to and are encouraged to utilize www.turnitin.com. This website (or others they may use) allows teachers to upload student work in order to check for plagiarism. Plagiarism can be defined as an act or instance of using or closely imitating the language and thoughts of another author, without authorization, as one's own, by not crediting the original author.

Skyline High School takes intellectual theft very seriously and those students who are caught cheating, helping others cheat or plagiarizing will receive one or more of the following consequences:

1. Administrative Referral.
2. A "0" (zero) on the assignments AND a "0" (zero) citizenship grade for that class for the term.
3. May be removed from any special academic programs in which the student is participating.

ACADEMIC LETTER

An academic letter requires a 3.70 GPA for four consecutive quarters at SHS, no "F's", "I's", "O's" and no more than two "1's" during the four quarters being considered. Applicants must be enrolled in a minimum of four academic courses during the qualifying terms and must have completed or participated in four qualifying special classes as listed on the application. Completed applications must be submitted to the administration in the main office to be considered for eligibility.

ACCIDENTS

Any accident or injury occurring at school must be reported immediately to the office. The school recommends that all students carry health and accident insurance. Accident report forms may be picked up at the main office.

ACTIVITY CARD (STUDENT ID)

Students will receive an activity card (student identification card)-at the time their yearbook picture is taken. This card entitles them to attend many of the school functions held during the year. It must be used only by the person to whom it is issued. Any violation of this rule may result in forfeiture of the activity card. In case of theft or loss, a duplicate card may be purchased from the bookstore for \$5.00. **Activity cards should be in each student's possession at all times while at school or attending activities.** Activity cards will be used to check textbooks out to each student, act as your access to school computers, and is required to complete transactions at the bookstore. Students may use their student ID from the previous year until they receive their new ID card.

ASSEMBLIES

Assemblies are designed for the entertainment and enjoyment of all students. Students are expected to attend assemblies, be good listeners, be courteous, and positive at all times. Remember, we usually have parents and guests in attendance, and we want them to leave our school complimenting the maturity and good manners of our students. Students who do not behave appropriately in assemblies will forfeit assembly privileges.

ATTENDANCE POLICY

Attendance Office Phone (385) 646-5433, e-mail: skylineattendance@graniteschools.org, Fax (385) 646-4725
Quickly call the Attendance Office by using the Skyline High School App! Click on the Attendance Symbol at the bottom of the screen then click on "Call (385) 646-5433" to call the Attendance Office.

Parent Excusal Policy: Excusals may be requested via phone call 385-646-5433 or email skylineattendance@graniteschools.org. Please be specific with what needs to be excused (date and class periods i.e., all day or 1st-3rd periods).

Parents have FIVE (5) school days from the day of an absence to excuse it. Day-of excusals are preferred and requested, but we understand life happens and things come up. Parent excusals made outside of this time frame cannot be accommodated. If you are leaving on a vacation, please notify the attendance office before your departure to avoid missing the excusal timeframe.

Please be aware of how many absences your student has. It is district policy that parents may excuse up to SEVEN (7) days in a school year. Medically necessary absences do not count toward the seven days if a signed doctor note is provided within 10 days of the absence.

Tardy Students: Students are considered tardy if they arrive to class between the final bell and 15 minutes late. Once they are 15 minutes late, they will be marked absent.

Street Passes: We understand that life is a juggling act, and that checking out students from school is often necessary. However, when requesting a street pass, please keep a couple of things in mind:

Email or call in the morning –When contacting the attendance office, please include the student’s name and student ID number, the time the student will be leaving, if they will be returning (and when that will be, if possible). If you choose to email, please use the email address you have listed as your contact for Skyline so we can verify it is legitimate.

Plan ahead – Please consider that it takes time to check students out of class. If a street pass is requested during a class, it could take ten minutes to deliver a note to a student’s classroom, and an additional five minutes for the student to get out of the school. If a runner isn’t immediately available, or has several notes to run, it could take 20 or 30 minutes before your student is ready to go. When emergencies come up, we will do our best to be quick and efficient in checking your student out, and we appreciate your patience; however, street passes do need to be requested before the lunch hour for this reason. (If you know your student is leaving at lunch for the rest of the school day, a street pass will still need to be issued excusing them from the missed afternoon classes.)

Check in and out- When students have a street pass requested, they pick it up in the attendance office in the morning, during lunch, or between classes. They show their teacher the pass (before class starts, if possible) and are then able to leave campus with that note in hand. If they are returning later in the day, they should check back into the attendance office with their street pass. We will then excuse them from any missed classes and send them to class.

Report all absences here. Phone calls will transfer to voice mail if attendance secretary is on another line. Parent should call before 2:00 p.m. on the day of the absence. **No absence will be retroactively excused after five school days or the end of the term.** If it is near the end of the term, please call immediately so grades/citizenship will not be affected. Students who are participating in distance learning will not have attendance reported for their distance learning classes.

Arriving Late: Parents must call in the morning before the student arrives, and student’s name will be put on a late list. Students must check in at the Attendance Office upon arrival at school to be excused and receive a pass to class. If a student is more than 15 Minutes late, they will be marked absent.

Street Passes: Parent must call in the morning and the street pass will be ready for the student to pick up in the Attendance Office. When the student returns to school, they must check back in, with their street pass, in order to be excused for the periods missed. Please notify the Attendance Office if the student will not be returning to school.

Extended Medical Absence: Extended absences for medical reasons (five or more days) must be excused by parent contact and a written doctor’s note with specific absence dates and will only be accepted during the term the absences occurred. No medical notes will be accepted after the term ends.

Absences: There are eight kinds of absences:

1. “E” indicates that a parent has called the school on the day of the absence (385-646-5433). Parents have five school days to call or send a note after an absence. **No participation points given.**
2. “R” is a school released absence, i.e. field trips, tournaments, etc. **Participation points given.**
3. “A” indicates an un-excused absence, a parent has NOT notified the school or the absence is not justifiable. Non-justifiable absences include babysitting jobs, “needed at home,” oversleeping, and appointments that can be scheduled after school. **No participation points given.**
4. “U” is a confirmed sluff. **No participation points given.**
5. “S” is for a suspension. **Participation points are given.**
6. “V” is for vacation. **No participation points given.**
7. “F” is for funeral. **Participation points are given.**
8. “M” is for medical. **(Doctor’s letter required.) Participation points are given.**

Students must have a street pass to leave campus during the day. Leaving campus without a street pass will be an “A” absence.

The following is the standard for citizenship grades:

- One “U” or “A” absence = 1
- Two “U” or “A” absences = 0

Eight or more class absences (“E”s, “A”s, + “U”s) in one quarter will result in a 0 in that class, unless absences are due to special circumstances. These will be dealt with on a case-by-case basis.

Tardies: The following is the standard for citizenship grades:

- 0 – 1 tardies = 4
- 2 tardies = 3
- 3 tardies = 2
- 4 tardies = 1

5 or more tardies = 0

Teachers are encouraged to allow some tardy make-up (for one or two tardies). There is no make-up for unexcused absences or sluffs.

BOOKSTORE

All fees and fines are paid through the bookstore. A school ID is required to complete bookstore transactions. The bookstore will be open one-half hour before school and during lunch. No sales will be made while classes are in session.

Students and parents may also go to payskyline.graniteschools.org to pay on their account at any time using a credit card.

All Skyline textbooks are electronically checked out to students through the Library. If a textbook is not returned or is missing the barcode(s), the full cost of the book will be charged to the student.

BULLYING & SIMILAR BEHAVIOR

Granite School District strives to provide safe, supportive, and welcoming schools for all students. District policies prohibit conduct that is unsafe, disruptive, or disrespectful toward others.¹

School Safety

District policies do not allow for unsafe conduct. For example, District policies prohibit threats or acts of violence; real or look-alike weapons; explosive or flammable materials; gang activity; criminal behavior; destruction or damage to property; willful disobedience or defiance; and possession of illegal drugs, alcohol, or other prohibited substances.

Bullying, Cyberbullying, Harassment, Hazing, and Other Similar Conduct

Bullying, cyberbullying, harassment, hazing, and other similar offensive conduct is also prohibited. Generally, this type of conduct includes an intent to cause distress or harm; involves a relationship with an imbalance of power; and includes repeated acts (or one serious act) of violence, intimidation, humiliation, or social isolation. Offending conduct can be physical, verbal, or written and may come in the form of social pressure, criticism, disrespectful behavior, or excluding others from an activity intentionally. Conduct may be intended as retaliation toward another person, which is also prohibited. Offending conduct may be obvious or subtle and it can include enlisting another person to commit the prohibited actions. Offending conduct can also be considered discrimination if the conduct is based on a person's race, gender, or some other protected classification.

Reporting and Correcting Offending Conduct

If you are treated in the ways described above, or you see another person being treated that way, please report the conduct as soon as possible. There are many ways to make a report:

- you can talk to your principal, teacher, or another employee at the school;
- you can leave a message in "Buddy Boxes" or deliver it in writing to the office;
- you can call or text the District Safety Hotline - Phone: (801) 481-7199, Text: (801) 664-2929;
- you can use the SafeUT application on your phone or your parent's phone;
- you or your parents can report to the District by calling the School Accountability Department: (385) 646-4510;

- you or your parents can report to the Office for Civil Rights, Region VIII, U.S. Department of Education, Federal Building, Suite 310, 1244 Speer Boulevard, Denver, Colorado 80204.

Administrators will investigate all reports, make corrections, and work to prevent further misconduct. School officials shall notify parents of incidents involving bullying, cyberbullying, hazing, retaliation, harassment, discrimination, or other similar conduct. Based on the severity of the conduct, students may receive discipline including parent/guardian conferences, suspension/expulsion, referral to law enforcement, placement outside the school, and/or other discipline that is appropriate. This policy covers conduct occurring at school and conduct outside of school if it affects the school environment. False reports or allegations are prohibited and may also result in discipline.

For more information about these subjects, please contact the District Compliance Office by calling (385) 646-4009.

 - B. Following are the standards for behavior, attendance, truancy, and tardiness:
 - (1) Behavior: An uncorrected series of negative behaviors or one serious incident could result in a “0” in citizenship.

 4. Due Process:

If detentions are not served within four weeks, a parent conference and suspension may occur.** Detention times and dates are announced at the beginning of the school year.

DRESS STANDARDS

Due to continual problems being experienced in our society and our schools with violence, gangs, sexual harassment, obscenity, drugs, alcohol and several other concerns, we, as school administration, must continue to take steps to decrease the risk of future problems at Skyline while increasing safety and respect among our students. One of those steps involves the dress code which currently states the following:

Appropriate, modest and clean dress is expected. Extreme dress, torn clothing, tank tops of any kind, revealing necklines, sheer clothing, tops with open back areas, sagging pants, and short skirts or shorts (must be below fingertips with relaxed shoulders) are not appropriate attire for school. Colors, bandanas, logos, emblems, and other dress associated with gangs, obscenity, or violence will not be tolerated or allowed.

As we approach students with concerns over violations of this dress code, we constantly find ourselves in an interpretative battle which is occurring far too often. To avoid this problem, we must now be more specific about the following items which are presenting potential problems at our school.

As you read the following list, please be advised that violations will result in being required to change into a school t-shirt or scrub pants on the first offense. For any subsequent offenses, the consequences could be: detention, parent conference, and/or suspension.

1. No obscenity on clothing including any statements or visual depictions with sexual connotations, foul language, nudity or obscene gestures.
2. Gang related dress including bandanas, rags and monochromatic colors.
3. Tops, shorts, and skirts:
 - Tops: Tops must be at least three inches wide across the shoulder, snug around the underarm, cover the back, and have no revealing neckline. No tank tops, sheer tops without a solid top underneath, midriffs or any other tops deemed immodest in appearance because of excessive body exposure (more than arm and neck regions).
 - Shorts/skirts: Shorts and skirts must be below fingertips when shoulders are relaxed (in front and back), and must remain at a modest level both standing and sitting.
 - No shirts or clothing depicting (through words or visualization) disrespect towards any race, culture, religion or gender.
 - No shirts or clothing depicting criminal activity or violence such as pictures of weapons or violent actions.
 - Jackets or sweatshirts with hoods must be worn without the hood covering the head.
4. No clothing (shirts, hats, tops or other items) which advertise controlled substances such as drugs, alcohol or tobacco.
5. Any clothing (or other items) that have been identified by the Salt Lake County law enforcement agencies as being associated with illicit drug use. Examples would include, but are not limited to, beads, pacifiers or "binkies", glow sticks, dust masks, etc.
6. **Masks must be worn during the Covid-19 pandemic while mandated by the State of Utah. Failure to wear a mask during this designated time is considered a dress code violation.**

Administration will make the final decision on dress code concerns. It is our hope that this specific dress code will not place undue burdens on students or parents but will help clarify our policy and reinforce standards which are modest, provide for the safety of our students, decrease distractions to the educational process and increase respect for others.

DRUG AND ALCOHOL POLICY

The illegal use, possession, distribution, sale or being under the influence of alcohol, controlled substances, or intoxicants of any kind by students is prohibited in all Granite School District schools, on school grounds, at school-sanctioned activities, or when students are being transported in vehicles dispatched by the district. Violations also include student use, possession, distribution or sale of drug paraphernalia, imitation controlled substances or resorting where drugs are being used or possessed (Administrative Memorandum No. 95). Students found in violation of this policy are subject to the following disciplinary actions:

1. First violation of Granite School District Alcohol and Other Drugs Policy:
 - A. An automatic law enforcement referral will be made.

HALL PASSES

Whenever it is needful for a student to leave the room during a class period, the student must have a hall pass. The pass is issued by the teachers, and they will be responsible for students to whom they issue hall passes. If a student is in the hall without a pass, it will be assumed the absence from class is unexcused and a Truancy ticket may be issued.

HOME RELEASE

Home release is an option for seniors only. It will be given only at the beginning or end of the day. Students may not be on campus during home release. Any exceptions to these rules can only be made by the administration.

LIBRARY

The library extends its services to all students. It is open at 7:00 a.m. and remains open until 3:30 p.m. No food or drink allowed in the library. **Students may be admitted to the library during regular class time only by mutual agreement between the teacher concerned and the librarian.**

Overdue library books will be charged a late fee. Textbooks and English class novels are assessed separate late fees. Please refer to the Textbook section for additional information.

LOCKER FACILITIES

Lockers are school property and are furnished as a convenience and courtesy. Students must assume the responsibility for proper locker use and care and will be fined for damage caused by writing, scratching, etc. Only necessary clothing and school materials are to be kept in the locker.

Students may pick up information regarding how to get a locker in the Main Office.

- Valuables should not be kept in your locker, they should be left at home.
- Students are responsible for keeping their combinations confidential.
- Students are requested to keep materials in neat order and clean out waste paper regularly.
- School authorities reserve the right to make security checks on lockers periodically.
- Students are not allowed to go to lockers during class periods unless they have a hall pass.
- No writing on lockers is permissible.
- Violation of these policies will result in forfeiture of locker privileges. Problems involving lockers are to be reported promptly to the main office.

LOST AND FOUND

The lost and found department is housed in the main office. All lost and found articles should be turned in immediately. Items must be accurately identified by their owners before being restored to them. Lost items should be reported in writing, as soon as possible, in order to facilitate their being recovered.

LUNCH PERIODS

Skyline has two lunch periods, a first lunch and a second lunch. The student will determine which lunch they have by who their third period teacher is. The list of which teachers have first lunch and which teachers have second lunch will be available on posters in the hallway on the first day of school. See the Bell Schedules on the Skyline website or Skyline App for bell schedule details.

The cafeteria is provided as a service to students. The cafeteria is now located in the relocatable village on the south side of the school. See the map for details.

Cafeteria meals are balanced and economical. Students should see that each does his/her share by cleaning up his/her own tray, milk carton, dishes, utensils, pop cans and leftovers.

Lunches must be paid for in advance. If paying with PayPams.com, please know that it may take up to two days to show up on the student's account. Please pay before your student runs out of lunch money.

NATIONAL HONOR SOCIETY

Skyline's Aquilifer Chapter is chartered by the National Honor Society. This organization is sponsored by the National Association of Secondary School Principals. Membership occurs during senior year only; however, qualified students must apply and be selected during third term of their junior year. Membership is open to students who meet the following requirements:

- 3.700 cumulative GPA - if you have 0-2 AP/IB/CE classes during the current semester (checked each term)

Solids are measured by semesters (for example: a full year English course counts as 2 solids; a half year government class counts as 1 solid). Solids include all AP/IB/CE classes (3 AP/IB/CE classes count as 4 solids due to the increased rigor), all math courses, all English courses, all world language courses, all social studies courses, all science courses, sports medicine, and medical terminology (checked each semester)

8. Retaliation generally takes the form of reprisal against a person who has filed a complaint or has testified, assisted, or participated in any manner in an investigation, proceeding, or hearing conducted by the District. Retaliation may include, but is not limited to, further harassment, threats, taunting, spreading rumors, unauthorized disclosure of the details of an investigation, ostracism, assault, destruction of property, or other negative conduct.

F. Reporting Procedures

1. Any person who witnesses or believes he/she has been subjected to discrimination, harassment, or retaliation involving a student, employee, patron or other person affiliated with the District may submit, personally or through a representative, a written or verbal report or complaint of the alleged prohibited conduct to school administrators and/or to department supervisors. Additionally, an individual may make a report or complaint directly to a Designated District Official identified in this policy and/or the Office for Civil Rights, Denver, CO 80204-3582, (303) 844-5695 at any time.

2. While not required, the District encourages the reporting party or complainant to use the report form attached to this policy. The form is also available from school administration, on the District website, and from the District office.

3. School administrators who receive reports or complaints shall be clearly identified and contact information shall be posted on the school's website and in other conspicuous locations.

4. Reports or complaints of discrimination, harassment, or retaliation shall be forwarded to the appropriate Designated District Official. The District Compliance Officer in the Department of Policy and Legal Services shall assist the Designated District Officials to ensure thorough investigations are completed (see section G below).

5. It is the duty of every student and every District employee to report violations, or alleged violations of this policy. Failure to do so may result in disciplinary action.

6. Good faith submission of a report or complaint of discrimination, harassment, or retaliation will not adversely affect the individual's future participation in school programs or activities, grades, employment, or work assignments.

7. Because false accusations of discrimination, harassment, and retaliation can have a serious detrimental effect on innocent parties, false complaints may subject the complainant to discipline.

G. Investigating and Correcting Discrimination, Harassment, and Retaliation

The District promptly investigates all reports or complaints of discrimination, harassment, and retaliation, regardless of whether the alleged conduct is committed by an employee, student, or other individual, and the District shall administer appropriate

discipline to any student or employee who violates this policy. The District will take appropriate steps to eliminate the discrimination, harassment, or retaliation; address its effects; and prevent the discrimination, harassment, or retaliation from recurring.

1. The District Compliance Officer shall provide investigation support and regular training to principals and assistant principals regarding conducting prompt, thorough, and impartial investigations.

2. After a report or complaint is received, school administrators, Designated District Officials, School Directors, and the District Compliance Officer shall determine whether a school-level or District-level investigation is warranted. The District retains discretion to determine whether a school-level or District-level investigation is warranted. The following guidelines are generally applicable.

a. If a report or complaint involves a student or students, the investigation shall be conducted by principals or assistant principals trained to conduct such investigations. However, serious allegations of sexual harassment or sexual misconduct by students that may constitute a safe school violation shall also be referred to the District Safe School Committee. (See Administrative Memorandum Number Ninety-Six, Sexual Misconduct Involving Students.)

b. In matters involving reports or complaints of sexual harassment committed by District personnel, the District Sexual Harassment Committee shall conduct investigations and report findings directly to the Superintendent. If the report involves a member of the District Sexual Harassment Committee, the report or complaint may be filed directly with the Superintendent, Granite School District Superintendent, (385) 646-5000, 2500 South State Street, Salt Lake City, UT 84115. Investigations may also be conducted by a designated third party investigator at the District's discretion.

3. Investigator(s) shall conduct prompt, thorough, and impartial investigations, which shall include gathering information and evidence from all relevant parties including taking written statements from and/or interviewing the complainant, individuals against whom the complainant filed, and others who have knowledge of the alleged incident(s) or circumstances giving rise to the report or complaint. The investigation may also consist of any other appropriate investigative methods and gathering documentary evidence deemed pertinent to the investigation.

4. The school or the District shall take prompt remedial action, including appropriate disciplinary actions, after the individual against whom the report or complaint was made has had an opportunity to respond to the allegations orally or in writing. Investigators shall work with District officials, including School Directors, Granite Police Officers, the Director of Educational Equity, the Director of Human Resources, Directors of Special Education, and the District Compliance Officer, to resolve issues at the lowest possible level working collaboratively with parents/guardians, students, patrons, and employees.

5. Investigators shall preserve all information and evidence, including written statements, investigation notes, surveillance camera footage, photos, physical evidence, documents, correspondence, and any relevant electronic information such as text messages, videos, and social media postings. Investigation files shall be retained for a period of at least three (3) years.

6. In determining whether alleged conduct constitutes discrimination, harassment, or retaliation, the investigator shall consider the surrounding circumstances, the nature of the unwelcome or unlawful conduct, the relationships between the parties involved, and the context in which the alleged incidents occurred.

7. At any time during or after the completion of an investigation, allegations involving criminal conduct and/or child abuse shall be reported directly to law enforcement and the Department of Child and Family Services (DCFS) as appropriate. A criminal investigation may occur concurrently with, and shall not replace or supplant an administrative investigation by the school or District.

8. The District and school administrators shall take reasonable steps to protect the complainant and witnesses during an investigation and prevent retaliation.

9. The District and school administrators will protect the confidentiality of the complainant, the individual(s) against whom a complaint is made, and witnesses to the extent possible consistent with the District's legal obligations and the necessity to thoroughly investigate and take appropriate administrative action. The District retains the right to disclose the identity of parties and witnesses in appropriate circumstances.

10. Investigators shall make findings and conclusions and draft a summary report promptly. The report shall include a summary of at least the following information:

a. a description of the allegations;

b. a summary of the factual findings;

c. conclusions of the investigator regarding violations of District policies and practices and/or violations of federal or state laws.

11. School administrators conducting investigations shall work with directors/supervisors and an assistant superintendent, as required, to impose appropriate discipline.

12. Subsequent to an investigation, the District will take reasonable steps to correct current policies and practices, provide additional protections and supports, and increase and improve education and training as needed.

13. School or District administrators charged with investigating and/or taking administrative action will communicate the outcomes of the investigation to the complainant or the alleged victim and the respondent within a reasonable time after the completion of the investigation. Maintaining current privacy laws, regulations, and policies, the administrator shall communicate steps the District will take to eliminate, address, and prevent further discrimination, harassment, or retaliation.

H. Grievance Resolution and Appeal Procedures

1. Within fifteen (15) days after receiving a summary report of the findings and conclusions of the investigator, any person impacted by the outcome of the investigation may initiate a grievance if an investigation was not timely, thorough, or if a party is aggrieved in some other way. A grievance is filed by submitting in writing directly to the Office of the Superintendent, 2500 South State Street, Salt Lake City, Utah 84115. Failure to file a grievance in accordance with the procedures set forth above shall constitute a waiver of the right. A grievance shall be in writing and include the following information:

- a. requester's name, home address, and telephone number;
- b. a brief description of the alleged discrimination, harassment, or retaliation including the date, place, and time of alleged incidents;
- c. a brief description of the actions taken or efforts made to address the issue; and
- d. a description of the District's failure to investigate or resolve the matter properly with a statement of the grievant's position and related evidence.

2. A grievance shall be reviewed by the District Compliance Officer under the direction of the Director of Educational Equity. The District Compliance Officer, or another designee of the superintendent, shall conduct an administrative review of prior investigations and/or decisions and consider:

- a. new evidence that was not available during the investigation;
- b. evidence that an investigation was inadequate or the administrative procedures outlined in this policy were not followed; or
- c. evidence of bias on the part of the investigator. If the grievance offers no evidence described above, the grievance shall be denied without further investigation. Simply disagreeing with the outcome of an investigation or with an investigator's findings and conclusions is insufficient grounds for a grievance.

3. Within ten (10) business days of the request, the District Compliance Officer or other a designee of the superintendent shall meet with the grievant to discuss the grievance, gather facts, and explore possible resolutions.

4. Within fifteen (15) business days of the meeting with the grievant, the District Compliance Officer, or other designee of the Superintendent, shall respond in writing to explain any further findings and conclusions, additional administrative actions, and options for resolution.

5. If the District and the aggrieved party are unable to find a resolution, the aggrieved party may file an appeal and request for a hearing within fifteen (15) days after the date of the response from the District Compliance Officer or other designee of the superintendent. The appeal and request for a hearing shall be submitted in writing to the Office of the Superintendent, 2500 South State Street, Salt Lake City, Utah 84115. Failure to file an appeal and request for hearing in accordance with the procedures set forth above shall constitute a waiver of the right.

6. The Director of Educational Equity shall, thereafter, convene a hearing with a panel of three members of the Human Rights Committee within forty-five (45) days, unless the parties mutually agree upon an extension of time. The hearing will be an informal hearing, but the parties may be represented, call witnesses, and submit any evidence or information that may be helpful to the panel. The panel may do any of the following:

- a. uphold prior determinations;
- b. issue a new determination; or
- c. find an alternate resolution.

7. The Director of Educational Equity shall issue a final determination via letter written to the appellant based on the recommendation of the panel. B. Salt Lake County ordinance, Section 10.32.010, states that it is unlawful for any person to:

2. annoy, disturb, assault or molest any student or employee of any school while in or on such school building or on the grounds thereof;

STUDENT GOVERNMENT

See the Skyline High Constitution at the end of this handbook. Copies are also available in the main office.

SUSPENSION

However, emergency messages will be delivered promptly to those concerned.**

TEXTBOOKS

The Granite School District provides all necessary textbooks for students. Excessive wear or unreasonable damage will result in fines. Student will be charged the replacement cost for lost books.

Students must have a current ID card to check out their textbooks from the school library. If the barcode is removed from a student's assigned book, the student will pay the cost for replacing the book. Textbooks and English novels must be turned in by the due date assigned by the school. **Students who turn in a late textbook(s) will be charged a flat \$5.00 fee not to exceed \$5.00 per semester/\$10 per year. Overdue English novels will be charged a \$3.00 fee.**

THEFT

Please do not bring anything of great value to school. **Hallway and gym lockers** are not safe places to store valuables or cash. Gym lockers should always be secured with a padlock. If you experience a theft and/or vandalism on Skyline's campus, report this to the Main Office immediately and file a theft report with the School Resource Officer.

TRANSCRIPTS

Official and unofficial transcripts are available in the Counseling Center from the Registrar. Students can also create an account and request that their official transcripts be sent electronically at www.parchment.com. Final transcripts should be requested at the end of the school year through www.parchment.com and marked as "Hold for Grades." Final transcripts will be sent out by the Registrar as soon as grades are finalized.

TRUANCY TICKET POLICY

This policy was initiated due to the increase of truant students at Skyline High School. **Truancy affects citizenship**, which also affects graduation qualification.

Any student who is found in the hall without a legitimate hall pass **fifteen** minutes after the tardy bell rings is considered to be truant. Each time a student is found to be truant they may receive a Ticket. Students who receive a ticket will need to complete one of the following:

- A student may work ½ hour of custodial work per ticket. Students will need to sign up outside the custodial office located near the auditorium. Once they have completed their time, the custodian will sign a slip that the student should bring to the main office. An administrator will then verify and when approved will have the bookkeeper remove the fine from the student's account.
- If a student goes four school weeks without receiving a truancy in any class, they may bring their ticket to an assistant principal. If verified and approved, the ticket will be taken off. **NOTE:** The ticket will not automatically come off; the student must bring the ticket in within 5 weeks of the original ticket.
- If a student chooses to pay the ticket, they pay these fines at the bookstore before school or during lunch.

Students with any of the following classes should have the appropriate pass with them in the hall at all times. Failure to have a pass may result in an after-school detention.

- Home Release Pass
- GTI Course Pass
- Work-Release Pass
- A street pass used to leave school during the time they are caught in the halls

Each teacher will have a school-issued hall pass that students may use according to each teacher's classroom policy for personal needs. Only one student may use the hall pass at a time. Students may also use a media pass to use the library if the teacher deems it necessary.

VENDING MACHINES

Vending machines are provided for student convenience and comfort. It is imperative that students be responsible in disposing of litter and garbage in appropriate receptacles.

1. Machines are not to be used during class periods. To ensure continuance of this service, students must demonstrate that they can handle the machines and dispose of litter in a responsible manner.
2. Anyone vandalizing vending machines will be suspended and charged the full cost of repair and lost revenue, and will be referred to the School Resource Officer for possible vandalism charges.
3. Use of the vending machines is at the patron's own risk, refunds are not available.
