We had 100% graduating students this year 2022. Had a lot of parents and teachers help. We have students that drop out and we do not know where they are. There was discussion on Concurrent Enrollment compared to AP Classes. Concurrent Enrollment is good for kids that do not want to take AP classes. Brodie said, "Concurrent Enrollment does not have the value that AP does". We need to have all options for all students.

Winter Play "Baskerville" was discussed. Alex Smith and Alisa Hamblin read the play and thought it was ok to put on. They both agreed it was a fun play. The council approved the play.
