SCHOOL SONG

Cheer and sing together we're from Skyline
Shout her praises loudly to the sky.
Loyal sons and daughters sing for Skyline,
Swell the chorus loudly as we join together.
We are proud to say that we're from Skyline,
As our voices we all raise in one.
We will cheer and sing together,
Make the rafters ring as never,
Blue and gold of Skyline in the sun.

SKYLINE HIGH SCHOOL EXTRACURRICULAR ACTIVITIES 2022-2023

Skyline has many extra-curricular activities for students to participate in. Your high school years will be more meaningful and you will make valuable friendships if you are active in one or more of these activities. Many of the athletic activities, academic based clubs and service organizations are listed below.

Items marked with an asterisk are governed by the Utah High School Activities Association (UHSAA). The scholastic eligibility rule established by this association is that a student cannot fail more than one class. Granite School District policy states, "In order to participate in activities sponsored by the UHSAA, students must have maintained, in the quarter preceding the activity, a 2.0 GPA and no more than one failing grade." Skyline High School follows the guidelines outlined by District policy. All participation fees have been approved by the Granite Board of Education and specifically follow the guidelines as set forth by the Granite School District.

Each year the extracurricular activities available at Skyline may change, since non-curriculum clubs must apply each year for club status at Skyline High School. Therefore, not all extracurricular activities may be listed in this planner. For an up-to-date list of all the approved curriculum and non-curriculum clubs, please stop by the Main Office. For a current calendar of Skyline High School events, go to our website at <http://schools.graniteschools.org/skylinehigh/>.
