I want to share this link to an amazing video created by the SBOs in all the high schools in Granite School District.

I would hope that you and your Skyline High School student could watch this video together. It discusses an extremely important topic that has daily impact on the lives of students here at school. I think it will facilitate a discussion that will help your student to talk about their experiences and hear from you about the importance of kindness and the damage of slurs. I assume these conversations have already happened many times in your home. It would be wonderful if that discussion could happen in every home for each of our students and hopefully that will work toward increasing positive peer interactions and eliminating any form of harassment or negative peer interactions.

We want to hear from you about the teachers at Skyline. Please, take a moment each week and tell us about the great things happening in the classrooms of Skyline High School. This is the link for this: <https://forms.gle/ucQADTDhwRXkFvD2A>

This week the Skyline community honors Dillon Edelen. Mr. Edelen is very understanding with students. He creates an encouraging atmosphere in the gym and is always willing to help.

Thanks Mr. Edelen, for all you do to help Skyline Eagles RISE.

Sincerely,

Dr. Mitch Nerdin, Principal
