Library books are different than classroom novels. The teacher must have read the whole novel before it can be considered. IB books are also chosen different. A parent has to be the person who challenges a book.
3. Rise Ambassador's had a safe digital week.
4. Brigadoon and Our Town were approved for the Drama department.
5. IB/AP testing. Proctors are needed from the community. Test will be held in the Gym. PE classes will need to be held outside.
