● Members

- Terms
 - Principal Babka explained that terms of CC membership are 2 year terms.
 - Many members have been serving longer than that on our CC because we haven't had any other interest in members joining in years.
 - Council voted on two new members, Bethani Rose and Allison Sherman
 - Brianna motioned to have them voted in; Christine second the motion; all members in favor.
- Report to GSD
 - Members filled in information on a spreadsheet to submit to the GSD Communications Department.
- SK Website
 - Principal Babka has updated the school webpage with CC Membership information.

● Staffing/Budget

- Volunteers- Principal Babka has posted the volunteer positions twice.
- Inclusion Aide- Principal Babka has posted this position but both applicants had already taken other jobs in the district, she will post again.
- SPED Para- We will have an opening for one more SPED para on 10/16/23

● Open Questions/Concerns

- Bees are attacking students and parents walking to school. They are wondering if the school can do anything to help the situation.
 - Principal Babka checked with Ben Horsley, he clarified that because the house with the bee problem is off school property, it is best addressed with Kearns Township to handle the situation.

- Some CC members are getting SPAM
 - Principal Babka contacted Ben Horsely, he explained the following:
 - CC member's personal information is not shared or displayed on either the district website or state website.
 - It is important for members to mark the SPAM emails as "SPAM" or "phishing" emails.
 - This type of SPAM happens to many organizations and is called "spoofing"
 - Many times the spammers try to trick members into buying gift cards.

Next Meeting on Nov. 13 @5pm
